

**Fire Log**  
**Homewood Campus**

Fire Log case numbers do not run sequentially. Johns Hopkins University Campus Safety and Security assigns a case number for all fire related activities. Only case numbers generated for on-campus student housing facilities are listed in the fire log.

Fires are listed in chronological order. The most recent fires are at the bottom of the last page.

A hard copy of the Fire Log is available at 3001 Remington Ave. during normal business hours (Monday – Friday, 8:30 a.m. - 4:00 p.m.).
