Kelly | Producer: Hello, everyone.

2
00:00:23.250 --> 00:00:26.650
Kelly | Producer: I think we might have an echo. Is there?

3
00:00:27.600 --> 00:00:29.780
LaTicia Douglas - Public Safety: I think we're good, Kelly, is it going?

11
00:01:25.010 --> 00:01:33.820
LaTicia Douglas - Public Safety: instead of having the administration call the role, we're going to actually ask each member to introduce themselves. And

12
00:01:34.200 --> 00:01:44.339
LaTicia Douglas - Public Safety: we can start online. And do we? So any member online like the you can just unmute yourself and introduce you.

LaTicia Douglas - Public Safety: I'm not this to remain in. I am. Well, the

21

00:03:24.670 --> 00:03:28.589

LaTicia Douglas - Public Safety: I was the on faculty at the School of Public Health.

22

00:03:37.000 --> 00:03:39.459

LaTicia Douglas - Public Safety: and do you?

23

00:03:40.270 --> 00:03:49.869

Duke Tremittiere: Oh, hi! This is Duke Trimm tier I live across the street from the Peabody School on the Peabody campus, so I'm having some trouble unmuting myself. So

24

00:03:49.910 --> 00:03:54.740

Doris Minor-Terrell: by the

25

00:03:55.080 --> 00:03:56.870

Doris Minor-Terrell: and then

26

00:04:00.890 --> 00:04:05.270

Doris Minor-Terrell: good evening, everybody. Hi, sorry I'm a little late.

27

00:04:05.390 --> 00:04:08.320

Doris Minor-Terrell: Can you hear me?

28

00:04:08.450 --> 00:04:19.180

LaTicia Douglas - Public Safety: Thank you.

29

00:04:21.970 --> 00:04:24.020

LaTicia Douglas - Public Safety: We start online first.

30

00:04:24.590 --> 00:04:29.069

Branville Bard He/Him: Hi, I'm Brando, Bart. I'm Vice President for public safety and chief of, at least in the days we did.

31

00:04:30.140 --> 00:04:35.900

Jennifer J. Mielke: Hey? Good evening. I'm Jennifer Melky. I'm the director for Local Government Committee fairs for John. So the University of medicine.

32

00:04:36.040 --> 00:04:42.440

Jarron Jackson JHU Public Safety (he/him): Good evening, everyone. My name is Joanne Jackson. I'm Assistant Vice President for Public Safety and John. So it's university.

33

00:04:43.030 --> 00:04:47.230

Doris Minor-Terrell: I'm Kelly Allen. I'm the producer for tonight's meeting.

34

00:04:47.340 --> 00:05:00.380

LaTicia Douglas - Public Safety: So it's it's it's Dr. Bar and public safety. And I also wanted to say, Dr. B. Is on vacation. So his his Internet may be a little if he will be on and off camera.

35

00:05:02.060 --> 00:05:12.699

Doris Minor-Terrell: Good evening again. I'm Doris Myin Torell. I'm representing the city Council, President Nic. Mostly I'm happy to be here this evening.

36

00:05:17.320 --> 00:05:21.189

LaTicia Douglas - Public Safety: You got the introductions out the way.

37

00:05:21.400 --> 00:05:28.010

LaTicia Douglas - Public Safety: Have all one. I was had a chance to review the the 7 Standing committees.

38

00:05:29.410 --> 00:05:30.170

Yes.

39

00:05:32.220 --> 00:05:46.979

LaTicia Douglas - Public Safety: so at this time there are any board members, you know, which committees they would like to serve all. But just again we we strongly encourage more, all board members to the least serve, or at least one committee.

40

00:05:47.910 --> 00:06:05.320

LaTicia Douglas - Public Safety: And now this is not something that you have to do right this second. But if you could. If you already know what committee it is, you

can either send an email to the Accountability board box so actually can have that recorded, or

41

00:06:05.360 --> 00:06:08.980

LaTicia Douglas - Public Safety: for those in the room at the meeting. You can just let me know

42

00:06:09.630 --> 00:06:12.630

LaTicia Douglas - Public Safety: the best. So okay.

43

00:06:19.150 --> 00:06:31.339

LaTicia Douglas - Public Safety: now, the majority of the meeting tonight will be spent all your reviewing the bylaws. Now, has anyone not having any board member not had a chance to review the bottlenecks?

44

00:06:36.860 --> 00:06:39.320

LaTicia Douglas - Public Safety: So I'm gonna take that as everyone's

45

00:06:41.960 --> 00:06:46.780

LaTicia Douglas - Public Safety: so as a excuse me and the orientation.

46

00:06:46.880 --> 00:06:57.069

LaTicia Douglas - Public Safety: I didn't make a body where that there were some pending draft. There was some. Can you up this to bylaws at that time, the bylaws working with the General Council.

47

00:06:57.370 --> 00:07:02.059

LaTicia Douglas - Public Safety: We have since got those back, and tonight we're going to run through on 25 point.

48

00:07:06.640 --> 00:07:15.260

LaTicia Douglas - Public Safety: And this is for discussion. So the one anytime you want to review. If anyone has any questions or comments, please

49

00:07:15.530 --> 00:07:16.570

LaTicia Douglas - Public Safety: let me know.

50

00:07:21.870 --> 00:07:26.040

LaTicia Douglas - Public Safety: So it

51

00:07:29.730 --> 00:07:35.280

LaTicia Douglas - Public Safety: so the first update was the previous boy. We recommended

52

00:07:35.440 --> 00:07:46.499

LaTicia Douglas - Public Safety: that the student term it's student terms. Currently one year we recommended that the term be adjusted to match the 2 year term that currently all others serve.

53
00:07:46.810 --> 00:07:50.390
LaTicia Douglas - Public Safety: But this in itself is just a recommendation.

54
00:07:50.870 --> 00:07:56.369
LaTicia Douglas - Public Safety: The students serve their their. Their terminal service is determined by the administration.

55
00:07:56.610 --> 00:08:00.920
LaTicia Douglas - Public Safety: and at that time the Administration chose just to keep status quo.

56
00:08:01.220 --> 00:08:03.720
LaTicia Douglas - Public Safety: So, student time will be one.

57
00:08:05.470 --> 00:08:16.760
LaTicia Douglas - Public Safety: It can I add that that was that was a decision, so that students serving or in a 2 year program can also have an opportunity to serve at least one year during their time.

58
00:08:18.530 --> 00:08:30.910
LaTicia Douglas - Public Safety: And I I appreciate that for the administration. It's it's more than way that groundwork out, because I know some members. We're watching the lottery perform. And we did recommend that, but that again, that was tally up to the discretion of the administration.

59
00:08:32.720 --> 00:08:39.429
Doris Minor-Terrell: I have one question. It's a student allowed to be recommended for a second year by administration.

60
00:08:40.929 --> 00:08:42.139
LaTicia Douglas - Public Safety: Yes, they are

61
00:08:42.510 --> 00:08:43.900
Doris Minor-Terrell: okay. Thank you.

62
00:08:46.510 --> 00:08:49.029
LaTicia Douglas - Public Safety: I was with the first question in the night.

63
00:08:50.690 --> 00:08:53.909
LaTicia Douglas - Public Safety: Second, the second update is the point made process.

64
00:08:54.840 --> 00:09:00.060
LaTicia Douglas - Public Safety: and basically to keep the the language of the bylaws, and with statute

65
00:09:00.640 --> 00:09:03.759

LaTicia Douglas - Public Safety: confirmation has been changed to consent.

66

00:09:08.020 --> 00:09:14.100

LaTicia Douglas - Public Safety: I'm sorry I I lost a little bit of that can you repeat

67

00:09:14.120 --> 00:09:17.019

LaTicia Douglas - Public Safety: to deep in line with the statue of scores?

68

00:09:17.220 --> 00:09:23.130

LaTicia Douglas - Public Safety: Confirmation has been changed to consent to just along with the language and the statute.

69

00:09:23.960 --> 00:09:25.880

Doris Minor-Terrell: Okay, thank you. Understood

70

00:09:26.230 --> 00:09:27.290

LaTicia Douglas - Public Safety: no problem.

71

00:09:27.960 --> 00:09:48.289

LaTicia Douglas - Public Safety: So the the next update is, we are in the outlaws. We are many a special assistant in adding, design me so void, and many of the bylaws free to change. And they, for that reason is we're calling, if we call our special assistant in the bylaws, and let's say the special. That position is vacant. Then

72

00:09:48.780 --> 00:09:51.200

LaTicia Douglas - Public Safety: we would have to wait to that position to

73

00:09:51.790 --> 00:09:54.559

LaTicia Douglas - Public Safety: for for the 4 secondary.

74

00:09:55.340 --> 00:09:58.599

LaTicia Douglas - Public Safety: So that was the reason for that. Any questions.

75

00:10:00.130 --> 00:10:02.390

LaTicia Douglas - Public Safety: Okay. right? Well.

76

00:10:03.730 --> 00:10:06.270

LaTicia Douglas - Public Safety: under the Board Secretary.

77

00:10:06.570 --> 00:10:10.539

LaTicia Douglas - Public Safety: we don't. Min in the language. Reference to retention schedule.

78

00:10:12.120 --> 00:10:13.040

LaTicia Douglas - Public Safety: Let me.

79

00:10:13.430 --> 00:10:31.290

LaTicia Douglas - Public Safety: or access to requirements to the voice records, because that will be on all. The the records will be under the under the property of the at police apart. So that's why, we are many that the Board will not actually have custody of those right. That's in the reading.

80

00:10:36.760 --> 00:10:55.610

LaTicia Douglas - Public Safety: Under what secretary there was. The full bulletin has been deleted. And I just that just talked about access to the records. Is it of the Naval Statute? And only again, this only applies to the police department, as in the Board is not a separate entity, so we will not have.

81

00:10:55.810 --> 00:11:03.259

LaTicia Douglas - Public Safety: We will not take custody of the records. All the records will be under the post. Our job is Pd. Domain.

82

00:11:03.560 --> 00:11:07.769

LaTicia Douglas - Public Safety: so any request would be me to.

83

00:11:08.090 --> 00:11:09.720

LaTicia Douglas - Public Safety: There are any records.

84

00:11:19.340 --> 00:11:30.059

LaTicia Douglas - Public Safety: and then the other update. This is all under both secondary, heading it just the follow up on what I just said. If any request from all time entities

85

00:11:30.480 --> 00:11:42.009

LaTicia Douglas - Public Safety: should be made to as opposed to being made directly to the board should be made to the office of Vp. Or or the Chief, or John Hobbes police, or their or their appropriate, that they need to respond

86

00:11:46.430 --> 00:11:49.020

LaTicia Douglas - Public Safety: and let me just

87

00:11:57.520 --> 00:11:58.270

LaTicia Douglas - Public Safety: step.

88

00:12:04.090 --> 00:12:08.450

LaTicia Douglas - Public Safety: And this language was this, this language was

89

00:12:08.650 --> 00:12:15.770

LaTicia Douglas - Public Safety: cleaned up because the board, and if the statute does not get the board the 40 to discipline

90

00:12:18.830 --> 00:12:30.199

LaTicia Douglas - Public Safety: so and and and that if for some sort of violation or low attendance, the Board can recommend to the appointed authority.

91

00:12:30.530 --> 00:12:41.909

LaTicia Douglas - Public Safety: we can forward the recommendation to the appointed authority. But the Board that's not. We do not have an afford to be to discipline anything that so this is why that language was something.

92

00:12:46.760 --> 00:12:47.540

LaTicia Douglas - Public Safety: and

93

00:12:49.430 --> 00:12:50.160

okay.

94

00:12:50.910 --> 00:13:02.490

LaTicia Douglas - Public Safety: the next page of. And again, I don't know if some of the members were watching previous board meetings, but the first and recent report had voted to

95

00:13:03.990 --> 00:13:07.650

LaTicia Douglas - Public Safety: require Board members to provide disclosures.

96

00:13:07.790 --> 00:13:19.730

LaTicia Douglas - Public Safety: But I'm I'm review the General Council. The Board does not have that authority to require members to school to do any sort of financial.

97

00:13:20.530 --> 00:13:31.839

LaTicia Douglas - Public Safety: We we thought that members in the when there is that a current conflict of interest members will voluntarily recruit themselves from any, from back to

98

00:13:45.200 --> 00:13:53.580

LaTicia Douglas - Public Safety: and again, just the language recording discipline or removal. That language was included. probably recommend.

99

00:13:53.860 --> 00:14:06.110

LaTicia Douglas - Public Safety: with the recommendation, the General Council, and just to re every that the Board does not have the power or authority to discipline any of this members, we can recommend to the appointing authority

100

00:14:06.430 --> 00:14:11.850

LaTicia Douglas - Public Safety: that certain acts would be taken. But again, that would be a tally up to that, according to

101

00:14:15.280 --> 00:14:17.880

LaTicia Douglas - Public Safety: so I want to pause at this time.

102

00:14:17.930 --> 00:14:25.230

LaTicia Douglas - Public Safety: because does any members have any questions or concerns, not about the updates, but about the bylaws as a whole

103

00:14:35.100 --> 00:14:47.380

LaTicia Douglas - Public Safety: stand as though there are no questions in the room, and no questions online at this time I will entertain a motion to approve the bylaws. As it is.

104

00:14:49.660 --> 00:14:53.340

Doris Minor-Terrell: I make a motion to approve the bylaws as presented.

105

00:14:55.850 --> 00:15:00.180

LaTicia Douglas - Public Safety: So we have a motion, and then properly do I have a second second, that

106

00:15:01.710 --> 00:15:10.300

LaTicia Douglas - Public Safety: so we have a motion so to just that I will set the motion on tables to approve Bylaws and the property second.

107

00:15:10.470 --> 00:15:17.499

LaTicia Douglas - Public Safety: so all those in agreement will signify by saying, I

108

00:15:18.090 --> 00:15:20.499

LaTicia Douglas - Public Safety: all of the polls signify by saying that

109

00:15:22.250 --> 00:15:25.080

LaTicia Douglas - Public Safety: motion is carried. Okay.

110

00:15:33.800 --> 00:15:38.469

LaTicia Douglas - Public Safety: So next we're so next on the agenda is elected for these shit.

111

00:15:38.780 --> 00:15:42.439

LaTicia Douglas - Public Safety: So this is something that the previous board

112

00:15:43.020 --> 00:15:44.220

LaTicia Douglas - Public Safety: we

113

00:15:44.340 --> 00:15:50.090

LaTicia Douglas - Public Safety: with, but we had spread to debate about. But we did come up with

114

00:15:50.130 --> 00:15:54.429

LaTicia Douglas - Public Safety: 2 positions in the bylaws, so one would be chairperson.

115

00:15:54.610 --> 00:16:01.099

LaTicia Douglas - Public Safety: and that will be by state that terms would be each East term would be idea.

116
00:16:01.410 --> 00:16:05.120
LaTicia Douglas - Public Safety: and the members could be. You could be re-elected to that.

117
00:16:07.340 --> 00:16:12.860
LaTicia Douglas - Public Safety: So at this time is, are there any combinations

118
00:16:12.910 --> 00:16:15.129
LaTicia Douglas - Public Safety: for share or vice share?

119
00:16:16.550 --> 00:16:18.189
LaTicia Douglas - Public Safety: I'm going to name you.

120
00:16:18.640 --> 00:16:20.380
Doris Minor-Terrell: Yeah, a second.

121
00:16:22.060 --> 00:16:32.309
LaTicia Douglas - Public Safety: So well, I I feel, kinda you know, first of all, to have it

122
00:16:32.590 --> 00:16:40.500
LaTicia Douglas - Public Safety: be normally by you. It's always seconded by us. Doors really means a lot to me. To be totally honest, I respect you both so much. And

123
00:16:40.820 --> 00:16:44.709
LaTicia Douglas - Public Safety: yeah, what you do in a community and do what you do for others. So.

124
00:16:44.780 --> 00:16:51.499
LaTicia Douglas - Public Safety: But I just wanted to say that I feel weird calling to vote for myself. So if somebody else could call me

125
00:16:52.630 --> 00:16:53.370
LaTicia Douglas - Public Safety: well.

126
00:16:53.630 --> 00:17:04.070
LaTicia Douglas - Public Safety: I'm going to call the vote for those who are in favor of this nomination that we vote to it according to how we feel.

127
00:17:04.079 --> 00:17:07.759
LaTicia Douglas - Public Safety: And so that's what we'll be able to do. Yes.

128
00:17:09.990 --> 00:17:10.740
Kimyatta Ricks: yes.

129
00:17:11.050 --> 00:17:13.300
LaTicia Douglas - Public Safety: okay, good. Oh.

130
00:17:13.470 --> 00:17:17.850
she had a question. So I start, do we? We just start individually

131
00:17:18.490 --> 00:17:40.459
LaTicia Douglas - Public Safety: we sorry individually. I mean, this is the first time we've done this. So let's let's keep it. And this is 2 years. 2 years ago I would not have been able to say this, but it working with you, I mean. I am just sure I'm sure within the call me that, you know you will do a fine job as you have

132
00:17:40.460 --> 00:18:01.239
LaTicia Douglas - Public Safety: done 2 years ago. We've had extensive conversation. Never, you know I love a good conversation, and never know. Have you ever not enjoyed that conversation with me? And we learned a lot of things about one another. And so I am just on it to know you. And my vote is yes.

133
00:18:01.780 --> 00:18:03.390
LaTicia Douglas - Public Safety: same, yes.

134
00:18:04.880 --> 00:18:05.960
LaTicia Douglas - Public Safety: yes.

135
00:18:06.920 --> 00:18:07.670
LaTicia Douglas - Public Safety: yeah.

136
00:18:09.330 --> 00:18:12.449
Doris Minor-Terrell: One line. Yes, yes.

137
00:18:13.930 --> 00:18:14.730
LaTicia Douglas - Public Safety: okay

138
00:18:15.360 --> 00:18:22.779
LaTicia Douglas - Public Safety: it. It sounds like it's, oh, yeah.

139
00:18:23.710 --> 00:18:26.259
LaTicia Douglas - Public Safety: So we have. How many? Yes.

140
00:18:26.300 --> 00:18:28.279
LaTicia Douglas - Public Safety: you have to.

141
00:18:28.920 --> 00:18:35.680
LaTicia Douglas - Public Safety: I think you do right.

142

00:18:36.100 --> 00:18:39.810

LaTicia Douglas - Public Safety: Honestly, I just want to thank you all.

143

00:18:41.660 --> 00:18:46.529

LaTicia Douglas - Public Safety: I really appreciate you. You know I have no that facing

144

00:18:46.790 --> 00:18:58.519

LaTicia Douglas - Public Safety: really do it as a full to working each and every one of you, and I am here. I can't promise that we're all just one in 3. But I can't promise that I'm always going to.

145

00:19:00.430 --> 00:19:01.330

LaTicia Douglas - Public Safety: is he?

146

00:19:02.020 --> 00:19:02.820

Okay?

147

00:19:02.920 --> 00:19:06.029

LaTicia Douglas - Public Safety: Yeah, I am.

148

00:19:08.600 --> 00:19:20.210

LaTicia Douglas - Public Safety: So that being said, we also have to elect a vice chair as well. Can I say some people before we do that? I had a conversation where I thought that it is fair

149

00:19:20.410 --> 00:19:22.590

LaTicia Douglas - Public Safety: with you, representing community

150

00:19:22.790 --> 00:19:27.189

LaTicia Douglas - Public Safety: that we have a vice chair from another

151

00:19:27.650 --> 00:19:35.300

LaTicia Douglas - Public Safety: for us, you and I. We sort of spoke about that. And I think that for me, that's where it gives

152

00:19:35.490 --> 00:19:39.940

LaTicia Douglas - Public Safety: an opportunity to someone outside of community.

153

00:19:40.040 --> 00:19:48.649

LaTicia Douglas - Public Safety: we all know our our place here on this board. So that was just one recommendation before we went any further.

154

00:19:48.770 --> 00:19:51.170

LaTicia Douglas - Public Safety: That I I wanted to.

155

00:19:51.400 --> 00:20:09.609

LaTicia Douglas - Public Safety: Well, I mean, I nominated everybody So So that's very difficult to say. I would prefer that someone who understands the time

156
00:20:09.720 --> 00:20:20.669
LaTicia Douglas - Public Safety: that one has to give would consider that, and just know that we have to keep this trade moving. And so we we definitely do, we want to do that.

157
00:20:20.730 --> 00:20:26.019
LaTicia Douglas - Public Safety: And so if you know that you have the time to to make. I'm sure that

158
00:20:26.120 --> 00:20:31.699
LaTicia Douglas - Public Safety: and that person would be fine, especially with all of us, you know, working

159
00:20:31.730 --> 00:20:37.330
LaTicia Douglas - Public Safety: in concert together, as you said, may not always agree, but we're going in the same direction.

160
00:20:37.460 --> 00:20:46.559
LaTicia Douglas - Public Safety: And so with that said, That's the way I would like to see it. But that's just me. I agree that they anyone they would like to self-nominate.

161
00:20:47.810 --> 00:20:50.010
LaTicia Douglas - Public Safety: I don't need someone else.

162
00:21:04.200 --> 00:21:05.010
LaTicia Douglas - Public Safety: So

163
00:21:05.690 --> 00:21:13.330
LaTicia Douglas - Public Safety: so by this we have to like to share. I have the. So we've done that today. So someone wants to take on in a little while.

164
00:21:14.910 --> 00:21:18.739
LaTicia Douglas - Public Safety: and then we come back to it, maybe addressing it next week and next.

165
00:21:19.300 --> 00:21:20.910
Kimyatta Ricks: I guess I agree.

166
00:21:23.220 --> 00:21:28.099
LaTicia Douglas - Public Safety: So yes, actually, we were pretty light on the intended for this meeting.

167
00:21:28.440 --> 00:21:39.499

LaTicia Douglas - Public Safety: so I would really like to open the floor to members just for any question or comments that you had this time. I know this is a new experience for us all. So

168
00:21:39.520 --> 00:21:48.010
LaTicia Douglas - Public Safety: is there any concerns? You may have any questions, or in just anything you wanted to offer up to the group. I open the door.

169
00:21:53.340 --> 00:22:02.110
Doris Minor-Terrell: No, I was just like being a good listener. I'm sorry I made a mistake. I'm just listening

170
00:22:08.470 --> 00:22:17.270
LaTicia Douglas - Public Safety: So I in the room. I see Elizabeth and Sam. I did see your hand up first, so I'll go to you first, and then it will

171
00:22:18.720 --> 00:22:33.200
Samuel Crankshaw: alright. Thank you. I was just hoping for a little more detail about the role of the co-chair. Is this someone that'll be working with the chair regularly presiding over meetings? Or is it sort of a a backup role because the bylaws don't really specify at all.

172
00:22:35.050 --> 00:22:36.060
LaTicia Douglas - Public Safety: So

173
00:22:36.800 --> 00:22:49.530
LaTicia Douglas - Public Safety: what I envision is someone that will work with the chair and someone. So we have the. And my hope is that the vice chair would be the 2 person of the.

174
00:22:49.840 --> 00:22:51.350
LaTicia Douglas - Public Safety: So when

175
00:22:51.540 --> 00:22:55.809
LaTicia Douglas - Public Safety: you know, we get together with the various one of these committees

176
00:22:55.830 --> 00:23:03.689
LaTicia Douglas - Public Safety: off of the top is that they want to be the agenda. I would hope that the vice chair would share that committee and be responsible for that so?

177
00:23:04.030 --> 00:23:07.739
LaTicia Douglas - Public Safety: But again, yes, they will absolutely work closely.

178
00:23:08.860 --> 00:23:10.070
Samuel Crankshaw: Alright. Thank you.

179

00:23:18.340 --> 00:23:22.810

Duke Tremitiere: Hi, this is Duke. Can I ask a couple of questions about the committee system.

180

00:23:23.390 --> 00:23:24.260

Absolutely.

181

00:23:24.510 --> 00:23:32.910

Duke Tremitiere: Yeah. So I'm just curious where the committees meeting on a regular basis in the last year. And is it

182

00:23:33.030 --> 00:23:37.330

Duke Tremitiere: for seeing how often the committees would meet, for example.

183

00:23:39.000 --> 00:23:49.959

LaTicia Douglas - Public Safety: So I would say, lack of the to make the committees that we did had did meet some of them on a regular basis. It kind of depended on what the committee was working on as the schedule.

184

00:23:50.290 --> 00:23:56.980

LaTicia Douglas - Public Safety: That makes sense. I I would like the the folks on the policy Committee. They would.

185

00:23:57.230 --> 00:23:58.969

LaTicia Douglas - Public Safety: We put it all the time right now.

186

00:24:00.530 --> 00:24:05.560

LaTicia Douglas - Public Safety: and maybe the folks on community, you know, we

187

00:24:05.940 --> 00:24:17.060

LaTicia Douglas - Public Safety: well, the song is always on the community, so she's always gonna be, don't work. But so it really, that's just depends on the task that your committee is working on, that. The committee did meet on a schedule basis.

188

00:24:17.890 --> 00:24:26.670

Duke Tremitiere: sure. And then I think they're all self explanatory, although governance maybe needs a little explanation what that committee would be doing.

189

00:24:26.730 --> 00:24:32.979

Duke Tremitiere: And then how how do you suggest? We move forward if we are going to volunteer to sit on different committees.

190

00:24:34.120 --> 00:24:50.430

LaTicia Douglas - Public Safety: so just to, I guess, get some backstory governance governance with the committee that was instrumental in like by law, we're helping out with the bylaws. And then, you know, if there are any updates or amendments, that sort of thing, then it we will follow that to governance first, and then out to the full board.

191
00:24:50.600 --> 00:24:51.680
LaTicia Douglas - Public Safety: and

192
00:24:51.860 --> 00:25:13.759
LaTicia Douglas - Public Safety: if they did, if there's a committee that you feel passionate about or to me you want to try out. I would just strongly suggest everybody to reach out to Theician actually let them know what committee that you would like to be a part of some committees already have members, and then some committees. You would be like the fact that chair person, because you'd be the first person. So.

193
00:25:14.320 --> 00:25:18.969
LaTicia Douglas - Public Safety: But to answer your question I would strongly suggest to reach out to the Administration

194
00:25:19.320 --> 00:25:21.859
LaTicia Douglas - Public Safety: and what you can reach out to myself

195
00:25:27.790 --> 00:25:30.040
for cool.

196
00:25:30.980 --> 00:25:48.089
LaTicia Douglas - Public Safety: Yeah. So we want to. We want to stay away from him and not out soon at home or East Committee. Then those will have to be the committee deliberations themselves. We have to be live stream like the need. So so want to keep the committees to. I want to say, a Max, like, maybe 4.

197
00:25:52.350 --> 00:26:09.259
LaTicia Douglas - Public Safety: Yeah, And I was but going to the different committee structure and agree they they're pretty self explanatory. in terms of analyzing the data and the metrics that will be collected as part of the police force. I wasn't sure which committee would. That would be. I I was taking policy review. But

198
00:26:09.920 --> 00:26:11.010
LaTicia Douglas - Public Safety: so

199
00:26:11.080 --> 00:26:15.159
LaTicia Douglas - Public Safety: that's something that we can flush out to be totally office. But yeah, I was.

200
00:26:15.220 --> 00:26:19.659
LaTicia Douglas - Public Safety: I think it. It is exception. That's what we were envisioning. But

201
00:26:19.950 --> 00:26:24.320
LaTicia Douglas - Public Safety: until we actually get the data, we really don't know.

202

00:26:24.760 --> 00:26:25.450
Okay.

203
00:26:30.230 --> 00:26:33.060
LaTicia Douglas - Public Safety: remember the line. Do you have any questions?

204
00:26:39.810 --> 00:26:50.910
LaTicia Douglas - Public Safety: So I don't see members of one I remember in the room. So let me just again. You guys have to trust me. You know I have it.

205
00:26:51.020 --> 00:27:14.369
LaTicia Douglas - Public Safety: you know. I'm hey? Conversations with some of you in the room? I haven't had a conversation with all of you, so let me just tell you a little bit about myself. My wife and I are raised out 3 children. He's more more. I tell everybody this story, mom. I've met my wife and my wife made it crystal clean to me that she was born and raised in Middle East, and if I want to marry her, that's why I need to move. So we've been here 20 years.

206
00:27:14.530 --> 00:27:21.680
LaTicia Douglas - Public Safety: I came to this effort to be honest. I was helping organize against the police the rock only, for there

207
00:27:21.800 --> 00:27:24.400
LaTicia Douglas - Public Safety: I still am, a close to it in

208
00:27:24.540 --> 00:27:38.109
LaTicia Douglas - Public Safety: there it to be totally honest with you. It's not necessarily because of the policing itself is because the institution's relationship with the community that are living. So I want to be totally transparent with everyone where I'm coming from.

209
00:27:38.410 --> 00:27:42.650
LaTicia Douglas - Public Safety: Of what I will say is that. having conversations with

210
00:27:43.080 --> 00:27:47.570
LaTicia Douglas - Public Safety: my friend here, miss, on yet has made me see that he.

211
00:27:47.790 --> 00:27:59.850
LaTicia Douglas - Public Safety: even though the way I feel about the police department that we can still come together and create something that will be unique in the accountable community centric. So

212
00:28:00.010 --> 00:28:10.620
LaTicia Douglas - Public Safety: that's why I'm here. And I really look forward to working with each and every one of you. I'm excited about the you need skills that each and every one of you.

213

00:28:10.660 --> 00:28:16.120

LaTicia Douglas - Public Safety: and I am here to serve you yourself with you and

214

00:28:16.230 --> 00:28:18.009

LaTicia Douglas - Public Safety: call on you whenever you need.

215

00:28:22.750 --> 00:28:29.769

Doris Minor-Terrell: We need to let you know how hard he has been working before he got the position. So we're happy to have him at the table

216

00:28:34.490 --> 00:28:38.930

LaTicia Douglas - Public Safety: like this door is coming from somebody like itself. That really means a lot

217

00:28:42.870 --> 00:28:49.370

LaTicia Douglas - Public Safety: at this time. If the Board members don't have any other comments or questions.

218

00:28:49.450 --> 00:28:53.309

LaTicia Douglas - Public Safety: I don't know. I'm says Dr. Boss on vacation.

219

00:28:53.340 --> 00:29:08.559

LaTicia Douglas - Public Safety: Did you? Wanna provide any registration updates or anything? Sure, just one quick update. So we're still in the interview process for the the Board's administrative Coordinator position. so more to come, we'll continue to send detail. Good email things change

220

00:29:12.120 --> 00:29:25.869

LaTicia Douglas - Public Safety: well again. I thank everybody for your time. Tonight. I look forward to working with each and every one of you. If there are no additional questions or comments at this time.

221

00:29:26.100 --> 00:29:34.350

LaTicia Douglas - Public Safety: Maybe I will join a meeting at 6, 28, and look forward to seeing everyone at our next meeting, which is August sixteenth.

223

00:29:41.910 --> 00:29:44.710

Doris Minor-Terrell: Thanks. Everybody. Have a great evening.
