00:01:58.070 --> 00:02:02.679

Amy - JH Accountability Board: Sonya merchant Jones, present thank you.  
Everyone

24

00:02:03.430 --> 00:02:04.100

Sonja: oops.

25

00:02:05.750 --> 00:02:17.109

Amy - JH Accountability Board: Thank you, Amy, and for everyone, all the members online and everyone here on the live stream technical difficulties. So I appreciate everyone being with us

26

00:02:17.240 --> 00:02:25.440

Amy - JH Accountability Board: at this time. I like to have all the members. I have the non board members present on the call introduce themselves

27

00:02:25.600 --> 00:02:28.049

Amy - JH Accountability Board: in the institution that they're affiliated with.

28

00:02:29.790 --> 00:02:36.100

Amy - JH Accountability Board: I am public safety for John Hopkins, University and Chief of police.

29

00:02:38.120 --> 00:02:40.290

Amy - JH Accountability Board: Thank you. Dr. Bark. Good.

30

00:02:40.540 --> 00:02:53.450

Amy - JH Accountability Board: So the first time on the agenda is the approval of the minutes from the annual public meeting. But before I call for that, I did. Wanted to offer up some comments about the public meeting

31

00:02:53.700 --> 00:02:55.350

Amy - JH Accountability Board: first. I'd like to thank.

32

00:02:55.760 --> 00:03:04.040

Amy - JH Accountability Board: though I like to thank the people from the Administration. They work on a meeting, and also I would like to thank the Moderator for the meeting

33

00:03:04.690 --> 00:03:07.519

Amy - JH Accountability Board: to the public and my fellow board members

34

00:03:08.530 --> 00:03:20.699

Amy - JH Accountability Board: while the meeting, I thought, was productive. The meeting just wasn't with. We all envision. The meaning was not the best way for us to engage with our fellow community members.

35

00:03:20.980 --> 00:03:33.839

Amy - JH Accountability Board: and as the chair I lay that blank, I laid a blame for that solely in my feet. So I want to publicly apologize to my fellow board members as well as my fellow community members for the way the meeting

36

00:03:35.280 --> 00:03:44.990

Amy - JH Accountability Board: was received, probably received, and I pledged to you publicly that we will do better. You were heard, and we will make changes to our engagement strategy.

37

00:03:45.070 --> 00:03:55.540

Amy - JH Accountability Board: As a result. So I just wonder, probably say that to our board members and our community and community members now this time

38

00:03:56.130 --> 00:04:01.050

Amy - JH Accountability Board: have all board members had a chance to review the minutes from the public meeting.

39

00:04:01.360 --> 00:04:02.250

Sonja: Yes.

40

00:04:03.690 --> 00:04:04.750

Amy - JH Accountability Board: now.

41

00:04:04.900 --> 00:04:14.559

Amy - JH Accountability Board: Ed, are there any questions or comments about the meetings, about the meeting? Excuse me about the meetings from the public meeting.

42

00:04:14.980 --> 00:04:15.950

Amy - JH Accountability Board: and

43

00:04:17.070 --> 00:04:22.230

I, Miss Sonya, I see you and Sam, you have your hands up. Did you have a question?

44

00:04:22.260 --> 00:04:24.920

Sonja: Oh, II didn't mean to have my hand out.

45

00:04:25.000 --> 00:04:28.520

Amy - JH Accountability Board: Oh, no, Sam had a Sam same

46

00:04:28.760 --> 00:04:29.740

Amy - JH Accountability Board: pops up.

47

00:04:29.860 --> 00:04:32.370

Amy - JH Accountability Board: Wanna make sure no question anything.

48

00:04:35.610 --> 00:04:39.729

Amy - JH Accountability Board: Okay. seeing as though there's no questions or comments. Then

49

00:04:40.200 --> 00:04:45.270

Amy - JH Accountability Board: I just move that the minutes for the public meeting be accepted without

50

00:04:46.140 --> 00:04:47.340

Amy - JH Accountability Board: without edit.

51

00:04:48.290 --> 00:04:49.210

Ryan Alezz: I second.

52

00:04:50.230 --> 00:04:51.380

Amy - JH Accountability Board: thank you, Ryan

53

00:04:52.440 --> 00:04:56.540

Amy - JH Accountability Board: motions. They probably move a second. All those agreement signify by saying, I

54

00:04:56.740 --> 00:04:58.220

Sonja: bye. Bye

55

00:04:59.010 --> 00:05:00.260

Amy - JH Accountability Board: opposed. Nay.

56

00:05:00.580 --> 00:05:03.489

Katie O'Conor: I'm not a nay, but I would like to

57

00:05:03.540 --> 00:05:12.369

Katie O'Conor: suggest that we make sure the minutes have the transcript attended particularly for this

58

00:05:13.080 --> 00:05:23.910

Katie O'Conor: high profile meeting, making sure that, in addition to the summarized approach to comments which were grouped by logical topic that we also have

59

00:05:24.530 --> 00:05:33.489

Katie O'Conor: attached the details of each comment just because it was, you know, to your point at making sure every voice is heard.

60

00:05:36.600 --> 00:05:39.740

LaTicia Douglas - Public Safety: Thank you, Katie. Thank you, Katie, appreciate that feedback.

61

00:05:41.480 --> 00:05:45.400

Katie O'Conor: and otherwise I approve or second the motion.

62

00:05:46.690 --> 00:05:48.939

Amy - JH Accountability Board: So I don't want to unmute because

63

00:05:49.100 --> 00:05:52.229

Amy - JH Accountability Board: feedback. But we? The transcript is.

64

00:05:57.590 --> 00:06:02.720

Katie O'Conor: Letisha. I think you're accidentally got muted somehow. I heard the beginning of what you said.

65

00:06:05.650 --> 00:06:06.769

Amy - JH Accountability Board: You want me to unmute.

66

00:06:06.810 --> 00:06:10.880

LaTicia Douglas - Public Safety: Yeah, if you didn't mind repeating that. So.

67

00:06:11.480 --> 00:06:14.809

LaTicia Douglas - Public Safety: okay, sorry about that. I was trying to avoid the the feedback.

68

00:06:16.530 --> 00:06:32.170

LaTicia Douglas - Public Safety: But but I just shared that. The transcript is linked online. And it's usually well, every month is linked online below the agenda and the minutes for the meeting. So anyone who sees is looking for the minutes will find the transcript there as well. We also send both to to all board members.

69

00:06:32.920 --> 00:06:36.560

Katie O'Conor: Okay, sounds good. I agree that that that works. Thank you.

70

00:06:47.350 --> 00:06:54.289

Amy - JH Accountability Board: Okay, did that? Did that answer your question? Oh, sorry. Yeah. So that that makes sense that that works for me. Thank you.

71

00:06:54.660 --> 00:06:55.370

No problem.

72

00:06:58.690 --> 00:07:03.170

Amy - JH Accountability Board: So the meaning have the meetings have minutes have been approved and will be posted.

73

00:07:05.010 --> 00:07:09.840

Amy - JH Accountability Board: The next item on agenda is revisiting

74

00:07:09.950 --> 00:07:13.240

Amy - JH Accountability Board: Vice chair selection. And

75

00:07:14.090 --> 00:07:15.560

Amy - JH Accountability Board: so that item.

76

00:07:16.500 --> 00:07:30.370

Amy - JH Accountability Board: Ryan. So let me stop by saying that Ryan came to me a little after. and he's been doing a yeoman's job with keeping up with his studies, being vice chair as well as being out

77

00:07:31.190 --> 00:07:42.290

Amy - JH Accountability Board: open meetings contact as well as chairing the legal committee. He is wearing quite a lot of hats as well as being a student. So

78

00:07:42.730 --> 00:07:46.630

Amy - JH Accountability Board: we felt that maybe you know, to kind of

79

00:07:46.670 --> 00:07:49.190

Amy - JH Accountability Board: lessen some of that burden off of him.

80

00:07:50.140 --> 00:07:57.559

Amy - JH Accountability Board: We would, you know, kind of revi take one of those hats away from him. So, after having a conversation.

81

00:07:58.580 --> 00:08:03.559

Amy - JH Accountability Board: felt like, maybe this was one of the heads that he could share to help

82

00:08:03.590 --> 00:08:10.270

Amy - JH Accountability Board: with his other duties for the board. So I just wanted to give Ryan a little space to kind of just talk about.

83

00:08:12.100 --> 00:08:30.460

Amy - JH Accountability Board: You know his thoughts on that, and then we'll Rev. We will revisit this in our June in our upcoming January meeting. But I just wanted to uplift Ryan for all the services he's done so far, and just kind of give him space in it to kind of talk about

84

00:08:30.850 --> 00:08:32.140

Amy - JH Accountability Board: his thoughts.

85

00:08:34.289 --> 00:08:41.680

Ryan Alezz: And thank you so much, Ed, so I'm also not going to be serving unfortunately, the next

86

00:08:42.919 --> 00:08:46.899

Ryan Alezz: the the coming. I guess, next calendar year.

87

00:08:46.950 --> 00:09:05.720

Ryan Alezz: and so I think it'd be better to have a vice chair appointed before that transition happens. Just so we have a smoother transition. That year comes so that person can pick up them the duties and be more familiar with the responsibilities. But other than that, talked about a lot, I felt

88

00:09:05.780 --> 00:09:19.629

Ryan Alezz: a little overwhelmed, doing a lot of the jobs. I love what I'm doing. It's just that it's hard to balance it with a student schedule. And so I'll still be there to support administrative duties, whatever may come my way, I just can't fulfill that role.

89

00:09:20.260 --> 00:09:22.350

Ryan Alezz: for the upcoming semester.

90

00:09:25.340 --> 00:09:31.749

Ryan Alezz: So, and just to clarify. Did you want to revisit this at the next meeting officially.

91

00:09:33.030 --> 00:09:36.940

Amy - JH Accountability Board: Well, I wanted to give members maybe time to

92

00:09:37.300 --> 00:10:06.039

Amy - JH Accountability Board: kind of digest, but I didn't want to up, you know. Thank you for your service. I really appreciate you just taking the ball and running with it, and so many duties I would. Members can either reach out to Ryan or myself, and if we need to call like maybe a special meeting or something, or if we need to address this during the committee meetings next month, we can. But I just wanted to kind. I wanted to put it out there from members. So if anyone's considerate, please reach out to Ryan on myself.

93

00:10:08.010 --> 00:10:19.540

Ryan Alezz: and just to clarify. If if no one has the capacity to serve this calendar year, I'm okay. Staying as vice President. I just think it would be better from a transition point of view. So if anyone

94

00:10:19.720 --> 00:10:26.569

Ryan Alezz: would be willing to serve or know someone who'd be willing to serve in this position again reach out like I'd said to either. Mir. Ed.

95

00:10:29.090 --> 00:10:32.159

Amy - JH Accountability Board: again, Ryan, just want to really thank you for your service.

96

00:10:35.310 --> 00:10:38.789

Amy - JH Accountability Board: Now I before we get to the next I know on an agenda.

97

00:10:39.070 --> 00:10:41.420

Amy - JH Accountability Board: The normal

98

00:10:41.480 --> 00:10:45.449

Amy - JH Accountability Board: administrative updates was removed and era so

99

00:10:46.030 --> 00:10:53.529

Amy - JH Accountability Board: been as though Dr. Bart is here tonight. I wanted to give him a chance to offer any updates or any comments he would like.

100

00:10:53.550 --> 00:11:02.709

Amy - JH Accountability Board: As usual, per administration updates. So at this time I'll turn floor, which I'll recognize. Dr. Bar Mr. Chair. Thank you.

101

00:11:04.050 --> 00:11:15.329

Amy - JH Accountability Board: Paul. Address policy. The first batch. The feedback period closes next Monday, November the twentieth. I encourage everybody to make sure that we get our comments in by then.

102

00:11:15.530 --> 00:11:31.919

Amy - JH Accountability Board: The second batch, which will complete all of our our draft policies, is scheduled to be released to the Accountability Board in the public on November 30, and so that will open up the next 60 day window public comment period.

103

00:11:31.920 --> 00:11:48.780

Amy - JH Accountability Board: and so we'll you'll get a communication as the Accountability Board the day prior to expect them the next day, when it will drop so, and that will open up the new 60 day period which puts us to the end of January for comment. So thank you.

104

00:11:48.890 --> 00:11:52.909

Amy - JH Accountability Board: Thank you for that.

105

00:11:54.690 --> 00:11:58.150

Amy - JH Accountability Board: The next item on agenda is

106

00:11:58.250 --> 00:12:02.629

Amy - JH Accountability Board: meeting with the President meeting with John Hopkins University President.

107

00:12:03.180 --> 00:12:08.399

Amy - JH Accountability Board: This was an item that was passed at the end of the last board term.

108

00:12:08.550 --> 00:12:13.200

Amy - JH Accountability Board: and this will be a new. This will be a new item for the board.

109

00:12:13.370 --> 00:12:20.039

Amy - JH Accountability Board: so I wanted to open the process up to public comment as well.

110

00:12:20.550 --> 00:12:34.579

Amy - JH Accountability Board: So at this at this time I'm going to lay out the I'm going to lay out the process for Board members, and then, after I lay out the process, I by any board, I'll recognize any board members to provide some additional comment or feedback.

111

00:12:35.210 --> 00:12:39.789

Amy - JH Accountability Board: So the way the rest way it works the Board will

112

00:12:41.260 --> 00:12:46.690

Amy - JH Accountability Board: send those to the President's office in advance of an annual meeting.

113

00:12:47.900 --> 00:12:54.489

Amy - JH Accountability Board: so that we, since this is the first meeting we really didn't have a pro process outlined with

114

00:12:54.520 --> 00:13:05.850

Amy - JH Accountability Board: I envision. After speaking with the chair of the engagement committee and miss the chair of the committee can talk a little bit about our conversation after I finish, but what I envision is.

115

00:13:06.000 --> 00:13:26.530

Amy - JH Accountability Board: I would like for all the community members that are watching that live stream for all community members that may have feedback on how the meeting with this President should be structured, or as to what type of questions or comments or topics they would like us to bring up during that meeting to email the Accountability Board Mailbox with those suggestions

116

00:13:26.970 --> 00:13:35.700

Amy - JH Accountability Board: for all board members. I would like you for any suggestions or comments concerning the structure or topics of said, meeting

117

00:13:35.780 --> 00:13:40.079

Amy - JH Accountability Board: to funnel goals. Follow all your comments to

118

00:13:40.140 --> 00:13:47.010

Amy - JH Accountability Board: the engagement committee. and then once we once we have a good

119

00:13:47.320 --> 00:13:51.929

Amy - JH Accountability Board: number of feedback. So what I vision is, if we start

120

00:13:52.010 --> 00:13:55.829

Amy - JH Accountability Board: getting collecting that feedback between now and December.

121

00:13:56.620 --> 00:14:06.379

Amy - JH Accountability Board: By the by January's meaning, the engagement committee will be able to have a report of the feedback which we would use that report

122

00:14:06.500 --> 00:14:10.429

Amy - JH Accountability Board: to notify the President's office of

123

00:14:10.640 --> 00:14:14.440

Amy - JH Accountability Board: request, a structure and topics covered during the meeting.

124

00:14:15.500 --> 00:14:23.150

Amy - JH Accountability Board: So at this time I'll open the floor up to board members for any questions or additional feedback on said meeting.

125

00:14:34.860 --> 00:14:35.860

Amy - JH Accountability Board: And

126

00:14:37.900 --> 00:14:42.010

Amy - JH Accountability Board: but do you have seen you took yourself off mute, sir, you are recognized.

127

00:14:42.220 --> 00:14:47.610

Madhu Subramanian: Thank you. Ii just had a question about that. The structure that you mentioned

128

00:14:47.790 --> 00:14:50.970

will there be a component that is not

129

00:14:51.610 --> 00:15:02.539

Madhu Subramanian: just structured with Pre, you know, pre-selected questions. So is there an opportunity for either board members or community members to ask questions

130

00:15:02.820 --> 00:15:04.430

Madhu Subramanian: in real time.

131

00:15:07.680 --> 00:15:23.100

Amy - JH Accountability Board: So I think that's the beauty of this. This is the first. This will be the first meeting, so we don't have a degree upon structure. So I think it is coming upon us as board members to solicit that feedback from the community and then

132

00:15:23.380 --> 00:15:26.300

Amy - JH Accountability Board: negotiate. We believe

133

00:15:26.730 --> 00:15:33.119

Amy - JH Accountability Board: that meeting that meeting should be in a best interest to the community. So I guess we'll do to answer your question.

134

00:15:33.900 --> 00:15:36.460

Amy - JH Accountability Board: That's something that's absolutely should be on the table.

135

00:15:44.380 --> 00:15:52.450

Amy - JH Accountability Board: And and, Maduro, if you're finished with questioning. Do I see you took yourself off mute. So do you have the floor?

136

00:15:53.580 --> 00:16:05.570

Duke Tremitiere: Yeah. Hi, this is to determine. Here. I'm just curious. I know this is as you're saying. This is a new meeting that hasn't really have had a structure. But is this envisioned that it would only

137

00:16:07.780 --> 00:16:10.239

Duke Tremitiere: only be the members of the

138

00:16:10.370 --> 00:16:15.890

Duke Tremitiere: Board, or would it also have Dr. Bard and people from the Public Safety Division present.

139

00:16:16.040 --> 00:16:17.759

or is that yet to be determined.

140

00:16:19.520 --> 00:16:20.390

Amy - JH Accountability Board: So

141

00:16:20.860 --> 00:16:28.220

Amy - JH Accountability Board: when it was originally envisioned, then it would be with the President's office. But naturally Dr. Bart, as leader, would be President

142

00:16:29.800 --> 00:16:31.990

Amy - JH Accountability Board: as leader of the Public Safety

143

00:16:32.210 --> 00:16:45.090

Amy - JH Accountability Board: Department would be, and a novel chief of Johannes Police should be present. So to answer your question, I believe when we came up with the idea that yes, Dr. Bart would be present.

144

00:16:48.290 --> 00:16:54.160

Amy - JH Accountability Board: Now, I don't know. Doctor Bark can speak to what other members of his team would be pregnant be present. But

145

00:16:58.200 --> 00:17:00.349

Amy - JH Accountability Board: I hope that answers your question, Duke.

146

00:17:02.900 --> 00:17:10.079

Duke Tremitiere: Yeah, I just curious cause I'm trying to get my head wrap my head around. What to envision. As you know, the the

147

00:17:10.369 --> 00:17:21.579

Duke Tremitiere: you know, the format and the the interaction that we would have with President. So just thinking out loud, I suppose so. Thank you. But that, anyway, that answers the question for them.

148

00:17:26.390 --> 00:17:29.809

Amy - JH Accountability Board: and that was kind of my whole impetus about

149

00:17:31.260 --> 00:17:33.540

Amy - JH Accountability Board: putting this on an agenda for this meeting.

150

00:17:33.840 --> 00:17:39.759

Amy - JH Accountability Board: I think you know, as the community and as board members, we need some time to.

151

00:17:40.460 --> 00:17:52.190

Amy - JH Accountability Board: you know, would it? What do we want to get out of this meeting with? Do we want to structure to be? What are questions that we want to ask? What do we want to hear from the President's office with that sort of thing, so I think you know

152

00:17:52.540 --> 00:18:01.630

Amy - JH Accountability Board: we we shouldn't. We should be very deliberate than that, and we shouldn't rush it so I would hope that we will be able to make that request

153

00:18:02.350 --> 00:18:12.670

Amy - JH Accountability Board: to the President's office. even in January or February, but that at least gives us a couple of months to really be deliberate in our decision making process.

154

00:18:19.820 --> 00:18:26.410

Amy - JH Accountability Board: Are there any questions or comments about the meeting with the President's office?

155

00:18:30.780 --> 00:18:31.710

Amy - JH Accountability Board: Okay.

156

00:18:32.260 --> 00:18:42.909

Amy - JH Accountability Board: I would just say again to all the community members that watching the live stream, if you have any comments or suggestions, please email the Accountability Board mailbox

157

00:18:43.050 --> 00:18:45.390

Amy - JH Accountability Board: and to all board members

158

00:18:45.850 --> 00:18:53.749

Amy - JH Accountability Board: any questions, comments, or feedback or suggestions, please, Funnel that to the engagement committee.

159

00:18:54.690 --> 00:18:59.059

Amy - JH Accountability Board: and I'll miss Sonya. Merchant Jones is the chair of that committee. And

160

00:18:59.990 --> 00:19:09.619

Amy - JH Accountability Board: please, Funnel all your suggestions to that committee, and we'll and that committee will be reaching out to members if they have any questions.

161

00:19:12.990 --> 00:19:18.569

Amy - JH Accountability Board: So at this time we're going to move on to the next item on agenda committee reports.

162

00:19:18.920 --> 00:19:23.450

Amy - JH Accountability Board: and at this time the Community Engagement Committee

163

00:19:23.580 --> 00:19:25.129

Amy - JH Accountability Board: is going to

164

00:19:25.240 --> 00:19:33.060

Amy - JH Accountability Board: pro offer up their report and talk about the new the boys, new engagement strategy going forward and the opportunities

165

00:19:33.100 --> 00:19:37.469

Amy - JH Accountability Board: that community members will have to engage with the board on a not just

166

00:19:38.040 --> 00:19:43.190

Amy - JH Accountability Board: during the public, the public comment meeting, but on an ongoing basis.

167

00:19:43.420 --> 00:19:47.700

Amy - JH Accountability Board: So at this time I recognize the Chair and Engagement Committee.

168

00:19:47.790 --> 00:19:49.920

Amy - JH Accountability Board: Ms. Sonia Merson Jones.

169

00:19:50.290 --> 00:20:01.980

Sonja: Thank you, Mister Chair. I want to start by saying that I really truly appreciate your leadership, particularly in reference to the October 20, sixth

170

00:20:02.040 --> 00:20:24.369

Sonja: meeting. We all were either present. I unfortunately wasn't there, but read the Transcript, and we just want to make certain that it's understood that we are here to represent the communities in which we live and in which we serve. And I thank you for that, sir. I thank you for the assignment

171

00:20:24.370 --> 00:20:39.510

Sonja: of gathering the feedback. Making certain that everything that's received gets back to you and to the appropriate office the the office of the President Ron Daniels. With that, said

172

00:20:39.610 --> 00:20:44.300

Sonja: we have thought well, no, I did think of some

173

00:20:44.380 --> 00:20:47.290

Sonja: strategies in order to

174

00:20:47.780 --> 00:20:55.870

Sonja: to build a better relationship with the community. I've had the opportunity to go out

175

00:20:55.880 --> 00:21:16.020

Sonja: and speak on a few occasions, and you know we understand that that's something that we should intensify. And so with that said, probably toward the mid of January, we want to have some community meet and create some small sessions where people can get to know us

176

00:21:16.240 --> 00:21:25.090

Sonja: and where they can ask questions and get facetime. It is important for me that they know that.

177

00:21:25.140 --> 00:21:49.190

Sonja: we are not assigned. II did hear that. We are assigned, according to what the Merlin General Assembly has decided, and that is exactly what it is we do we. We do that according to what they have assigned us to do. We're not selected. I just want people to know that

178

00:21:49.390 --> 00:21:52.339

Sonja: the 2 times that I submitted.

179

00:21:53.140 --> 00:21:59.729

Sonja: I was interested, I answered a survey, never thinking

180

00:21:59.790 --> 00:22:18.939

Sonja: that I would be selected and get selected twice, and it has been my complete privilege to serve on this board, as is every member so I wanted people to understand that you hear these things, and and then that's repeated and repeated. So I think it's real important to clear that up.

181

00:22:18.940 --> 00:22:42.019

Sonja: I would never use the tactic on anyone, not ever, not never! As well as any other member of this board. Again, we are of service to the community we want to meet with you, and that is the reason that we're going to have these introductory meetings. And then we're going to have community conversations. It's not

182

00:22:42.350 --> 00:22:46.490

Sonja: as put together to day as I would like for it to be

183

00:22:46.530 --> 00:23:06.550

Sonja: but by next meeting I should have it all mapped out, so that we at least have an understanding of what to expect. We'll send out invitations, and I'll speak a little further about that next month. I'm just looking over. If there's anything else that I have left out.

184

00:23:06.590 --> 00:23:33.760

Sonja: I don't think so. I just want this to be brief, just letting you all know that we certainly do understand exactly what it is you would like to see, and we want to accommodate that we are here in service to you. It is like, I said, it's it's our privilege to do that. So I yield back to you, Mr. Chair, and I look forward to what we're doing in the future to build the relationship

185

00:23:33.760 --> 00:23:41.910

Sonja: with the community. It's it's it's the thing that's of the utmost importance to each and every one of us. Thank you

186

00:23:43.970 --> 00:23:55.629

Amy - JH Accountability Board: for your committee report definitely look forward to engaging with the community and helping support your strategy going forward for community engagement.

187

00:23:55.920 --> 00:23:57.640

Sonja: Thank you, Mr. Chair.

188

00:23:59.170 --> 00:24:07.569

Amy - JH Accountability Board: So at this time we would like to. The next committee report we have is the Policy Review Committee, and

189

00:24:07.980 --> 00:24:09.799

Amy - JH Accountability Board: at this time I like to

190

00:24:11.030 --> 00:24:15.970

Amy - JH Accountability Board: see the floor to the newly elected chair of the committee, Mr. Duke Trinity.

191

00:24:16.260 --> 00:24:18.320

Amy - JH Accountability Board: So the floor is yours.

192

00:24:19.750 --> 00:24:21.830  
Duke Tremitiere: Yes, thank you.

193  
00:24:22.240 --> 00:24:23.080  
Duke Tremitiere: And

194  
00:24:23.360 --> 00:24:27.389  
Duke Tremitiere: again. II just wanted maybe to

195  
00:24:28.940 --> 00:24:37.049  
Duke Tremitiere: to echo what Miss Sonia said about the public meeting. I think you know you had commented that it didn't go as planned, I think.

196  
00:24:37.230 --> 00:24:42.540  
Duke Tremitiere: no matter which format we would have chosen it would have been, I think.

197  
00:24:42.770 --> 00:24:51.820  
Duke Tremitiere: a challenge. In any event. given some of the feedback that we that we that we

198  
00:24:52.080 --> 00:24:59.429  
Duke Tremitiere: received. I was interested because we did receive some interesting feedback on some of the policies.

199  
00:24:59.530 --> 00:25:16.280  
Duke Tremitiere: and I've looked over the the notes that Amy or maybe with Miss Douglas that they compiled, and they were organized by theme. They were very useful, and I think if anyone hasn't looked over those that's really helpful.

200  
00:25:16.440 --> 00:25:30.329  
Duke Tremitiere: and the couple of those notes I will include in our own feedback. But I hope that the folks from the community who came to the public meeting have also provided those that feedback

201  
00:25:30.360 --> 00:25:33.539  
Duke Tremitiere: through the feedback tool online.

202  
00:25:33.880 --> 00:25:40.580  
Duke Tremitiere: Otherwise I should say that we've had a couple of policy committee meetings. In the meantime.

203

00:25:40.650 --> 00:25:42.509  
Duke Tremitiere: And

204

00:25:42.710 --> 00:25:48.200  
Duke Tremitiere: we've moved forward on on reviewing the policy from the first batch that have come out.

205

00:25:48.310 --> 00:25:49.929  
Duke Tremitiere: I think.

206

00:25:50.380 --> 00:25:56.060  
Duke Tremitiere: each of you will have received different communications about that

207

00:25:56.410 --> 00:25:58.720  
Duke Tremitiere: so far.

208

00:25:59.370 --> 00:26:00.560  
Duke Tremitiere: and

209

00:26:00.860 --> 00:26:08.349  
Duke Tremitiere: what? Well, yeah. Moving forward now, we're trying to meet the deadline to have these comments in

210

00:26:08.370 --> 00:26:24.900  
Duke Tremitiere: by next week. So you will note in in the communications I've gone out. We've asked folks to to submit their comments online on the on live online feedback document. By Sunday, the nineteenth

211

00:26:25.140 --> 00:26:30.639  
Duke Tremitiere: I will have a cover memo that will go out as well for Ed's forwarding on

212

00:26:30.770 --> 00:26:41.980  
Duke Tremitiere: that will include, of course, all the comments combined. I am asking, though, if anyone has very specific issues that they would like to raise, that they want to highlight

213

00:26:42.250 --> 00:26:47.169  
Duke Tremitiere: beyond just putting them in the general feedback document. Something they think is really urgent

214

00:26:47.390 --> 00:26:57.570

Duke Tremitiere: or very high priority to please, you know. Let me know. Send me an email specifically on that, because I'll include those highlights or high priority points

215

00:26:57.610 --> 00:27:04.829

Duke Tremitiere: in the cover. Memo that will that will go from the Policy Committee. To the chair.

216

00:27:05.070 --> 00:27:09.240

Duke Tremitiere: II had

217

00:27:09.290 --> 00:27:11.199

Duke Tremitiere: mention that

218

00:27:11.370 --> 00:27:24.369

Duke Tremitiere: for for folks who aren't familiar with using the policy feedback live document that we would try to do a demonstration. I don't know if there's any feedback, if that would be helpful for some of you.

219

00:27:29.010 --> 00:27:31.820

Duke Tremitiere: Is that going to be helpful for any of you folks

220

00:27:32.570 --> 00:27:36.479

Duke Tremitiere: to do a demonstration about how to upload your comments online?

221

00:27:36.860 --> 00:27:42.350

Amy - JH Accountability Board: I do. I think if your committee is prepared to do that. Then, yeah, that would absolutely be helpful.

222

00:27:43.010 --> 00:27:43.690

Yeah.

223

00:27:43.850 --> 00:27:44.820

Duke Tremitiere: okay.

224

00:27:45.060 --> 00:27:48.680

Duke Tremitiere: yeah. Ryan, are you still online? Are you ready to help out with that

225

00:27:50.750 --> 00:27:51.800

Ryan Alezz: second

226

00:27:55.720 --> 00:28:08.339

Ryan Alezz: alright. Has the document been shared the link to the General Board members? Or is it still the policy? I believe, that was shared? I think it was shared by by Ed, in

227

00:28:08.510 --> 00:28:12.810

Duke Tremitiere: an email that went out to noncommittee members in the past week.

228

00:28:14.910 --> 00:28:19.490

Ryan Alezz: Okay, perfect. I can share my screen. shouldn't it too.

229

00:28:23.560 --> 00:28:25.539

Ryan Alezz: Alright. Can everyone see the screen?

230

00:28:25.660 --> 00:28:26.520

Amy - JH Accountability Board: Yes.

231

00:28:26.700 --> 00:28:27.540

Duke Tremitiere: yes.

232

00:28:28.350 --> 00:28:39.219

Ryan Alezz: perfect. Alright. So this is a document. Ms. Letisha and I put together. It's a public document where only the board members with the link can edit.

233

00:28:39.280 --> 00:28:42.169

Ryan Alezz: But the public is able to see, and

234

00:28:42.500 --> 00:28:48.659

Ryan Alezz: I'm not sure if they can provide comments. But it's a possibility that they may be able to provide comments, and we can see those.

235

00:28:48.680 --> 00:28:57.400

Ryan Alezz: But the the document itself is pretty straightforward. There is a list of headings. Each one corresponds either to a specific policy

236

00:28:57.530 --> 00:29:00.629

Ryan Alezz: which you can click on, and it will take you to that policy

237

00:29:00.940 --> 00:29:15.369

Ryan Alezz: or a title of a group of policies, where, if you have general comments about that specific subsection, then we can include loop, those, and finally a general comments section which is, as it says general comments about the entire document.

238

00:29:15.490 --> 00:29:28.459

Ryan Alezz: or entire set of policies which would include policies that you would like to see there that are not present or policies you think should be removed, etc. And so the way this works is you would

239

00:29:28.790 --> 00:29:31.270

Ryan Alezz: basically write whatever feedback you have.

240

00:29:31.330 --> 00:29:35.219

Ryan Alezz: And if you were to quote anything preferably highlighted in red.

241

00:29:35.370 --> 00:29:48.230

Ryan Alezz: And finally, just leave a note with your initials. Just so. If any board members have any questions or would like you to elaborate, have a discussion about it. They'd be able to know who put those comments in

242

00:29:48.280 --> 00:29:55.799

Ryan Alezz: other than that. It's a pretty straightforward document. If you guys have any questions feel free to contact either me or Amen

243

00:29:55.810 --> 00:29:57.680

Ryan Alezz: for clarification. And

244

00:30:02.360 --> 00:30:05.069

Duke Tremitiere: all right, thank you so much, Ryan.

245

00:30:05.370 --> 00:30:28.160

Duke Tremitiere: so the folks from the from the Policy Committee. Have that link for sure. The link to that document would have also in in in Dropbox would have also been sent out by Ed to the non policy committee members. If you don't have access to that, or you don't see it or you need help, please contact me. I'm willing to help out at any time.

246

00:30:28.280 --> 00:30:33.939

Duke Tremitiere: you can reach out to me by phone or by or by email. That's not a problem.

247

00:30:34.060 --> 00:30:42.569

Duke Tremitiere: The only other thing I'll say is that any of these comments that you would like to make please again have those comments

248

00:30:42.650 --> 00:30:47.680

Duke Tremitiere: uploaded on the share document through dropbox bite

249

00:30:47.810 --> 00:30:56.539

Duke Tremitiere: by Sunday, the nineteenth, because at that time I will be compiling everything like I said under a cover memo, and forwarding it on

250

00:30:56.630 --> 00:31:04.280

Duke Tremitiere: if if you have again, if you have very specific comments that you think are super high priority.

251

00:31:04.290 --> 00:31:08.860

Duke Tremitiere: the one that does come to mind, for example, is the hollow point bullets.

252

00:31:08.960 --> 00:31:28.439

Duke Tremitiere: Comment, which was brought up by some folks earlier in our meetings. That that might be highlighted in in in the cover. Memo, if you don't have specific things to highlight, that's not a problem. The folks on the Policy Committee have started making those comments. We are asking any committee member, though.

253

00:31:28.650 --> 00:31:40.100

Duke Tremitiere: from the Accountability Board or any board member, I should say. if you want to add also your comments. You now know where to do that, and how to do it. And again, if you have any questions, please let us know.

254

00:31:40.650 --> 00:31:44.750

Duke Tremitiere: Thank you, and with that I will see back to to the chairman.

255

00:31:50.390 --> 00:31:54.199

Amy - JH Accountability Board: Thank you, Mr. Chair, for your committee's report

256

00:31:55.720 --> 00:32:06.120

Amy - JH Accountability Board: at this time. Does any members have any questions or comments about either the engagement committee or policy review committees report.

257

00:32:14.760 --> 00:32:15.990

Duke Tremitiere: Okay?

258

00:32:16.320 --> 00:32:17.479

Amy - JH Accountability Board: Oh, go ahead, Duke.

259

00:32:17.780 --> 00:32:28.100

Duke Tremitiere: Yeah. One final thing, that, I maybe just would just add is that I did get an email. I believe it was today

260

00:32:28.170 --> 00:32:35.830

Duke Tremitiere: stating that the second batch of policies they anticipate that they will come out on the thirtieth of November.

261

00:32:36.640 --> 00:32:42.620

Duke Tremitiere: Now, I'm not sure if that's a hard date it may, it may vary, and I understood from Phil.

262

00:32:42.640 --> 00:32:44.260

Duke Tremitiere: who works on policy

263

00:32:44.280 --> 00:32:59.830

Duke Tremitiere: for public safety that there would be an additional 60 day comment period starting on November 30, for whichever date that comes out. So, Jack, that's just a heads up to I guess, to everyone, but also to the policy committee members in particular. Thank you.

264

00:33:02.200 --> 00:33:04.590

Amy - JH Accountability Board: Thank you, Duke, appreciate that notice.

265

00:33:09.510 --> 00:33:11.370

Amy - JH Accountability Board: And again, just want to

266

00:33:12.900 --> 00:33:18.480

Amy - JH Accountability Board: circle back. Is there any members that have any questions or comments, or

267

00:33:18.620 --> 00:33:21.300

Amy - JH Accountability Board: just wanted to offer any suggestions

268

00:33:21.440 --> 00:33:27.719

Amy - JH Accountability Board: to either the policy Committee or policy review committee or engagement committee

269

00:33:34.750 --> 00:33:39.849

Amy - JH Accountability Board: all right, seeing as though no one's taking himself off moving over to raise their hands.

270

00:33:41.040 --> 00:33:46.489

Amy - JH Accountability Board: Seems, though, we would finish the agenda. I would like to open the floor up to members

271

00:33:47.000 --> 00:33:49.020

Amy - JH Accountability Board: if they had any

272

00:33:50.130 --> 00:33:52.250

Amy - JH Accountability Board: any issues that

273

00:33:52.310 --> 00:34:03.099

Amy - JH Accountability Board: we didn't cover an agenda tonight that you wanted to discuss. or if there, any feedback that was not covered on the agenda tonight that you would like to offer up.

274

00:34:03.230 --> 00:34:07.520

Amy - JH Accountability Board: I wanted to open this portion up to open discussion right now.

275

00:34:17.790 --> 00:34:23.220

Amy - JH Accountability Board: and do I see you took yourself off mute, sir, so you have the floor.

276

00:34:24.719 --> 00:34:34.190

Duke Tremitiere: Yes, thank you. Ed, I would like to just raise the issue of. And I and I did this once in in by email to folks.

277

00:34:34.750 --> 00:34:49.019

Duke Tremitiere: we have the correspondence committee who's working, I believe, but I just wondered, how are we responding to individual comments that might come in in writing to the Accountability Board?

278

00:34:49.460 --> 00:34:53.980

Duke Tremitiere: Because of this perception that the Board hasn't been

279

00:34:55.110 --> 00:35:16.489

Duke Tremittiere: responsive to community members. II personally believe that we, as a board and I know that we have the correspondence committee who's looking at that need to be responding at least with some something to the to the individuals who take the time to write directly to the Accountability Board, and I'll just take the comments on mute. Thank you so much.

280

00:35:18.150 --> 00:35:19.310

Amy - JH Accountability Board: No problem

281

00:35:19.460 --> 00:35:23.590

Amy - JH Accountability Board: absolutely appreciate the question, Duke. So

282

00:35:24.280 --> 00:35:33.070

Amy - JH Accountability Board: the communication committee is reviewing and and view and do. It does respond to community members

283

00:35:34.420 --> 00:35:35.730

Amy - JH Accountability Board: inquiries.

284

00:35:36.200 --> 00:35:39.499

Amy - JH Accountability Board: So the way the process kind of

285

00:35:40.220 --> 00:35:49.770

Amy - JH Accountability Board: in the way of process. it is still pretty new process. So we're still working on the kinks. but it comes in. It comes to the mailbox.

286

00:35:51.320 --> 00:36:01.589

Amy - JH Accountability Board: Amy sends out in a weekly digest to all community members. All board members like these are the. This is what to receive. At that time

287

00:36:02.970 --> 00:36:07.700

Amy - JH Accountability Board: board members are free to offer up any suggestions that they would like to respond.

288

00:36:08.360 --> 00:36:11.710

Amy - JH Accountability Board: We, I've asked that Board members

289

00:36:11.810 --> 00:36:26.910

Amy - JH Accountability Board: at least a 5 day turnaround time, so we will receive something on a Monday. Then, if you would like to offer up

any feedback for how? How the Communications Committee should respond. Then you at least have it. By that Friday.

290

00:36:27.000 --> 00:36:35.280

Amy - JH Accountability Board: then the Communications Committee will review, and then we provide the final draft to aim for approval, to be sent out to the

291

00:36:35.560 --> 00:36:40.619

Amy - JH Accountability Board: the community members. So that's the way the process is working right now to answer your question, Duke.

292

00:36:48.000 --> 00:36:51.519

Amy - JH Accountability Board: Are there any other board members with? This is

293

00:36:51.600 --> 00:36:59.899

Amy - JH Accountability Board: at this time this is the open dialogue portion. So at this time, if any board members have any concerns

294

00:36:59.990 --> 00:37:03.850

Amy - JH Accountability Board: for any questions or just any suggestions.

295

00:37:05.540 --> 00:37:09.599

Amy - JH Accountability Board: This is your time to bring it to the just, to the whole board.

296

00:37:15.570 --> 00:37:18.799

Amy - JH Accountability Board: Miss Sonya. I saw you raise your hand. I don't know if you

297

00:37:22.970 --> 00:37:24.750

Amy - JH Accountability Board: he's still on mute, Miss all yet.

298

00:37:36.230 --> 00:37:41.439

Sonja: Can you hear me now? Yes, ma'am. Okay, good. You can hear me.

299

00:37:41.450 --> 00:37:42.520

Sonja: and

300

00:37:43.180 --> 00:37:51.089

Sonja: I don't know. This phone acts the way that it wants to. I the one thing that I, because you said this is the

301

00:37:51.180 --> 00:37:52.999

Sonja: time for open discussion.

302

00:37:53.050 --> 00:37:56.480

Sonja: and it's one thing that I left out

303

00:37:56.810 --> 00:38:04.040

Sonja: in terms of what I wanted to. I wanted to to share

304

00:38:04.240 --> 00:38:10.299

Sonja: my personal feelings. I think what I wanted to share and is is that

305

00:38:11.100 --> 00:38:18.019

Sonja: when you're out in a community and you're talking about this process, and it is a process I always emphasize that

306

00:38:18.230 --> 00:38:21.709

Sonja: we can have robust

307

00:38:21.840 --> 00:38:28.200

Sonja: and respectful discussion. I'll talk to anyone about anything concerning this

308

00:38:28.400 --> 00:38:30.840

Sonja: Accountability Board

309

00:38:30.870 --> 00:38:35.939

Sonja: because of the wonderful people that give their time to do this

310

00:38:36.010 --> 00:38:40.140

Sonja: work on behalf of the communities that they serve

311

00:38:40.500 --> 00:38:42.139

Sonja: and

312

00:38:42.380 --> 00:38:46.770

Sonja: Sometimes it's unpleasant, particularly when they say things that

313

00:38:46.900 --> 00:38:54.459

Sonja: are so far from what it is true. We are. A group of people

314

00:38:54.500 --> 00:38:57.029

Sonja: who have come together from diverse

315

00:38:57.290 --> 00:39:12.659

Sonja: backgrounds and and ways of thinking and doing this business, and we have made the commitment to do it respectfully with the other. I've never seen a board operate this way, and I've been on plenty of them where we are

316

00:39:12.870 --> 00:39:18.199

Sonja: are welcomed to have a difference of opinion, but committed

317

00:39:18.280 --> 00:39:21.440

Sonja: the finding a way where we can meet

318

00:39:21.490 --> 00:39:32.779

Sonja: and compromise. That's what we wanna take out into the community. We we. That's that's why things have been the way they are, because we don't wanna rush anything.

319

00:39:32.830 --> 00:39:52.190

Sonja: We wanted to be careful and sure, because we know what sets take. We deal with a lot of different personalities. And II just want people to know that we're not told what to say as a board we're not given any type of script or anything to follow, and never would be me

320

00:39:52.350 --> 00:40:00.359

Sonja: and I don't think that it would be anyone else on the board that will follow a script. We are allowed to speak our minds and our hearts.

321

00:40:00.410 --> 00:40:03.309

Sonja: and we do so, knowing

322

00:40:03.390 --> 00:40:10.910

Sonja: what's at stake and what we represent, we are committed to having a measure of trust.

323

00:40:11.150 --> 00:40:12.180

Sonja: a

324

00:40:12.560 --> 00:40:22.749

Sonja: in what we do, and expecting the best outcomes for most. And so I just wanted to emphasize that

325

00:40:22.830 --> 00:40:24.809

Sonja: sometimes I hesitate.

326

00:40:24.940 --> 00:40:43.749

Sonja: But II would I would really think about it a lot if I didn't. Say what's really from my heart. And I want people to understand that we truly look forward to meeting with you. We've talked about it for quite some time of how to do that, because again

327

00:40:43.920 --> 00:40:52.749

Sonja: we wanted to be respectful in the past it has not been, and so again, I will have the structure.

328

00:40:52.770 --> 00:41:00.470

Sonja: Pretty much established by the next month's meeting, which is December the twelfth. I believe, Mr. Chair.

329

00:41:00.640 --> 00:41:05.729

Sonja: and we'll take it from there. But that's that's what I wanted to add, too.

330

00:41:05.800 --> 00:41:10.410

Sonja: to my report, and thank you so much for allowing that, and I yield back to you.

331

00:41:11.650 --> 00:41:13.690

Amy - JH Accountability Board: Thank you. Ms, sorry I appreciate.

332

00:41:19.380 --> 00:41:20.290

Amy - JH Accountability Board: So

333

00:41:20.620 --> 00:41:33.270

Amy - JH Accountability Board: II wanna take a personal point of privilege just to add that my main takeaway from the public meeting was that the community wanted us to be more engaged, that they wanted to

334

00:41:33.910 --> 00:41:39.990

Amy - JH Accountability Board: have more opportunities to have those sort of conversations with us, and I think at a bare minimum we

335

00:41:40.080 --> 00:41:43.479

Amy - JH Accountability Board: owed them. We owe them that we owe them

336

00:41:43.610 --> 00:41:44.680

Amy - JH Accountability Board: to have

337

00:41:45.500 --> 00:41:50.030

Amy - JH Accountability Board: to provide more opportunities to edit with us other than the annual

338

00:41:50.940 --> 00:41:54.809

Amy - JH Accountability Board: meaning that's required that we required to have by the statute.

339

00:41:55.560 --> 00:41:59.269

Amy - JH Accountability Board: So you know, it is my hope that

340

00:41:59.570 --> 00:42:02.040

Amy - JH Accountability Board: next year we would

341

00:42:02.550 --> 00:42:05.290

Amy - JH Accountability Board: have a multitude of

342

00:42:05.340 --> 00:42:16.200

Amy - JH Accountability Board: opportunities. And, Miss Allen, yeah. I heard your vision, and I am personally, I'm personally excited about. You know your vision and seeing it come to fruition.

343

00:42:16.310 --> 00:42:21.039

Amy - JH Accountability Board: So I just wanted to add, just wanted to add to what you just said.

344

00:42:25.850 --> 00:42:37.679

Amy - JH Accountability Board: So I just wanted to do another kind of circle back again. This is the open portion of the meeting for any board members that if there's just anything

345

00:42:38.880 --> 00:42:51.280

Amy - JH Accountability Board: that you feel that we haven't been. Bring it forward. That you would like to bring forward then, you know, absolutely now is absolutely the time. The floor is yours. This is open discussion. So

346

00:43:05.600 --> 00:43:18.520

Amy - JH Accountability Board: okay. so I see no one is taking themselves off mute, and no one's raised their hand. So again, I wanna just thank all the community members that are watching on a live stream.

347

00:43:18.790 --> 00:43:24.590

Amy - JH Accountability Board: and thank all of board members that are also intended on the zoom.

348

00:43:25.080 --> 00:43:31.089

Amy - JH Accountability Board: And if there's no if there's no objection, or there's no other issues

349

00:43:31.330 --> 00:43:35.829

Amy - JH Accountability Board: at this time, I'll move. I'll vote for an adjournment.

350

00:43:39.520 --> 00:43:45.500

Amy - JH Accountability Board: But this time do I have a if there's a time do I have a motion to adjourn. so moved

351

00:43:48.410 --> 00:43:51.020

Amy - JH Accountability Board: we have a motion to adjourn. Do I have a second.

352

00:43:51.860 --> 00:43:52.870

Madhu Subramanian: a second?

353

00:43:53.310 --> 00:44:04.399

Amy - JH Accountability Board: Alright. So we have a motion that most of your, and probably move in second. all those in favor say aye, say goodbye by saying, Aye. aye, aye.

354

00:44:04.960 --> 00:44:09.370

Amy - JH Accountability Board: alright, I'll oppose. Nay. alright. So

355

00:44:10.640 --> 00:44:11.470

Amy - JH Accountability Board: at

356

00:44:11.600 --> 00:44:18.109

Amy - JH Accountability Board: 6, 45 PM. We will stand adjourned. Thank you, everyone, and have a great evening.

357

00:44:18.630 --> 00:44:20.170  
Katie O'Conor: Thank you. You, too.
