University-Wide Policy Statements

Separate Campuses

JHU has numerous campuses addressed in this combined Annual Security and Fire Safety Report. All policy statements contained in this report apply to all campuses unless otherwise indicated.

Reporting Crimes or Other Emergencies

The University strongly encourages students, faculty and staff to accurately and promptly report all crimes to their respective campus security offices and the appropriate law enforcement agencies, crimes should be reported when the victim elects to or is unable to make a report (note, Campus Security Authorities or

Prompt, accurate crime reports submitted to campus security personnel listed below and other primary CSAs listed on page 112 of this report, help facilitate successful investigations and enforcement, inform prevention efforts, aid in issuance of timely warnings and emergency notifications and disclosure of crime statistics in this Report, and educate the University community. In the event your campus is closed, for all emergencies dial 911. To report a crime or other emergency at your campus, please contact your campus security personnel:
