

WEBVTT

1

00:00:00.000 --> 00:00:00.730

Dang

2

00:00:02.560 --> 00:00:03.400

got it.

3

00:00:03.650 --> 00:00:09.670

Sonja: Good evening. My name is Sonia Merchant Jones, and I am a member of the

4

00:00:09.820 --> 00:00:25.369

Sonja: John Hopkins Police Accountability Board, and this is the Accountability Board meeting, and we're just getting ready to go. Call the the meet what we call the meeting to order, and so I guess what we'll do first is roll call introductions.

5

00:00:25.470 --> 00:00:27.849

Sonja: first board members.

6

00:00:28.120 --> 00:00:35.430

Sonja: committee members. and then Johns Hopkins, Staff and Guest. and you can go in whatever order you like.

7

00:00:38.060 --> 00:00:42.570

Sonja: Good evening this Elizabeth Hazel. I'm a board and committee member. Thank you.

8

00:00:43.850 --> 00:00:48.959

Kimyatta Ricks: Good evening. This is Kumiana Rix. I am a board and committed member. Thank you.

9

00:00:51.440 --> 00:00:54.660

Duke Tremitiere: Good evening, Duke Termiteir. I'm a board member.

10

00:00:56.600 --> 00:00:58.910

Katie: Katie O'connor board member.

11

00:01:01.960 --> 00:01:07.309

Sonja: Alright, and I think that's everybody. So the

12

00:01:07.350 --> 00:01:12.249

Sonja: the one of the things that we want to do is finalize the

13

00:01:12.360 --> 00:01:19.430

Sonja: John Hopkins Police Department Accountability Board, the draft of the engagement plan. And so

14

00:01:20.790 --> 00:01:27.629

Sonja: I guess you know you all give me your feedback. I mean, your your feedback is important to me.

15

00:01:27.840 --> 00:01:34.350

Sonja: How you want to do this, or if you just want to go to particular

16

00:01:34.870 --> 00:01:39.320

Sonja: pieces in the

17

00:01:40.270 --> 00:01:41.940

Sonja: in the proposal.

18

00:01:42.130 --> 00:01:51.469

Sonja: How would you want to do it? And I'll just give that back to you all I do know, Elizabeth, you sent something that you considered

19

00:01:52.620 --> 00:01:56.079

Sonja: as in terms of changes. So would you like to start?

20

00:02:00.180 --> 00:02:14.330

Elizabeth Hazel: Yeah, certainly. I can start sorry I was in the process of trying to pull up the notes, but I think I can. II can summarize until I pull them up again. I think. The biggest

21

00:02:14.490 --> 00:02:31.909

Elizabeth Hazel: question I had is, was around doing joint community engagement sessions with the Johns Hopkins police department. On the one hand, it, you know, would be extraordinarily useful to have them there, you know, just as

22

00:02:32.040 --> 00:02:37.569

Elizabeth Hazel: just as a participant. But on the other hand, I think it might.

23

00:02:37.640 --> 00:02:58.150

Elizabeth Hazel: We'd have to be very clear about the roles and responsibilities in the purpose of the engagement meeting. For me personally, I was thinking that as the Board, we would have these meetings as sort of listening sessions, understanding what people's concerns are, you know, Covid, in that information and then bringing it back to the police department.

24

00:02:58.150 --> 00:03:08.979

Elizabeth Hazel: you know, whereas the police department might have engagement sessions with community in order to answer people's questions and concerns directly. As well as listening to feedback.

25

00:03:09.030 --> 00:03:17.340

Elizabeth Hazel: So that was, I think, the main point that I had. and maybe I'll stop there, and I'll try to pull up and see if I had any other points over. Thank you.

26

00:03:18.010 --> 00:03:21.930

Sonja: Thank you. So this was on page 3. Correct.

27

00:03:24.900 --> 00:03:26.449

Elizabeth Hazel: ma'am, I believe. So.

28

00:03:26.650 --> 00:03:29.069

Sonja: Okay, anyone else. Next.

29

00:03:33.240 --> 00:03:35.970

Sonja: did everyone have an opportunity to look it over?

30

00:03:43.720 --> 00:03:48.209

Sonja: Duke, did you look it over? Do you have anything to add to it take away.

31

00:03:52.210 --> 00:04:04.520

Duke Tremitiere: How? How do you on here? Yeah. Well, I agree with Elizabeth, I think. Making. That was one thing that popped out because I had my own ideas about what would be the

32

00:04:04.630 --> 00:04:09.670

Duke Tremitiere: the objectives of the engagement sessions. And I think

33

00:04:09.680 --> 00:04:14.250

Duke Tremitiere: there was some discussion about that. And

34

00:04:14.660 --> 00:04:21.209

Duke Tremitiere: You know she's talking about the roles and responsibility, and I kind of agree with that, I think.

35

00:04:21.640 --> 00:04:30.299

Duke Tremitiere: at the same time, I have always been in favor of trying to get

36

00:04:30.430 --> 00:04:37.689

Duke Tremitiere: you know feedback from the from the public as well. But I you know I know that there's been some discussion about it.

37

00:04:41.560 --> 00:04:42.520

Sonja: Kim.

38

00:04:42.890 --> 00:04:46.309

Sonja: Katie, do you all have anything to add before?

39

00:04:48.500 --> 00:04:55.550

Kimyatta Ricks: Basically agree with everyone, everything that everyone else is saying, as far as

40

00:04:56.720 --> 00:05:03.150

Kimyatta Ricks: getting the information from the community. And then taking it back to the board to see what we can address

41

00:05:04.010 --> 00:05:07.530

Sonja: well, you know.

42

00:05:08.030 --> 00:05:21.070

Sonja: I guess there's really, in my opinion, I'll try to keep it brief. No one way of doing it. I just think that it, too, is

43

00:05:21.210 --> 00:05:24.609

Sonja: important that you know we meet

44

00:05:25.300 --> 00:05:30.410

Sonja: with the public. Regardless of what group

45

00:05:30.480 --> 00:05:34.239

Sonja: is represented. We just all want to.

46

00:05:34.450 --> 00:05:37.450

Sonja: you know. Be respectful of one another.

47

00:05:37.720 --> 00:05:41.370

Sonja: and to get all

48

00:05:41.640 --> 00:05:44.769

Sonja: concerns at least heard

49

00:05:45.440 --> 00:05:51.989

Sonja: and keep moving forward in a positive way. I do know that there are people who

50

00:05:52.270 --> 00:06:01.150

Sonja: I am just opposed to a private university having a police department.

51

00:06:01.790 --> 00:06:03.690

I have yet to hear

52

00:06:04.480 --> 00:06:17.570

Sonja: real reasons that resonates with me personally, and I think it's okay for me, as a human being, to say that I have personal opinion and still be able to

53

00:06:17.690 --> 00:06:20.999

Sonja: accept the feelings of others.

54

00:06:21.240 --> 00:06:23.539

Sonja: because I because I can.

55

00:06:23.830 --> 00:06:29.180

Sonja: and and be mindful of everything that affects everyone, for whatever

56

00:06:29.210 --> 00:06:40.489

Sonja: the reason, and be respectful of that. I've never been a person that life confrontation, I think, no matter how smart you think you are.

57

00:06:40.710 --> 00:06:48.879

Sonja: If you can't resolve issues and compromise, then really, how smart is that?

58

00:06:49.090 --> 00:06:55.029

Sonja: So? It's always good to sit down and have a conversation despite your differences.

59

00:06:55.370 --> 00:06:58.630

Sonja: and then come out on the other end.

60

00:06:58.780 --> 00:07:09.360

Sonja: understanding one another without making it personal. And I think when people bring that flavor, I'm gonna say flavor when people bring that in to the

61

00:07:09.900 --> 00:07:12.890

Sonja: to the mix of things. And we're trying to

62

00:07:12.940 --> 00:07:15.850

Sonja: do work that will.

63

00:07:16.070 --> 00:07:21.180

Sonja: I guess, resonate in in a lot of different directions.

64

00:07:21.200 --> 00:07:23.449

Sonja: You know we wanna do it

65

00:07:23.770 --> 00:07:27.539

Sonja: in a way that we can be proud of at least I know I do.

66

00:07:27.630 --> 00:07:34.990

Sonja: And so and that's that's just that's just who I am. I don't entertain a lot of foolishness, and back and forth, and

67

00:07:35.010 --> 00:07:37.830

Sonja: silly band to. I'm just not gonna do it.

68

00:07:38.110 --> 00:07:44.539

Sonja: I want things to be as respectful as possible.

69

00:07:44.780 --> 00:07:54.779

Sonja: And so we can do this we can. We can go through the pages of the draft. I think the draft is wonderful. II love it.

70

00:07:55.180 --> 00:08:00.550

I like when people say, well, I think we should look at it from this perspective. With that I like that.

71

00:08:00.980 --> 00:08:04.619

Sonja: And if anyone has anything to add

72

00:08:04.970 --> 00:08:15.290

Sonja: to to to the draft in terms of whether you like it or whether you think something should be changed, you know. Let's do that tonight

73

00:08:15.490 --> 00:08:18.480

Sonja: so that we can get past this

74

00:08:18.880 --> 00:08:36.130

Sonja: and move to the next matter of business. So that's why I'm asking, because if you don't have anything to add or take away from the draft so that it can be finalized. Then I, you know, then our work is done.

75

00:08:36.299 --> 00:08:41.449

Sonja: So I don't have anything to add or take away other than what I just said.

76

00:08:41.840 --> 00:08:45.069

Sonja: And I've read it

77

00:08:45.250 --> 00:08:48.630

Sonja: on a couple of occasions. And

78

00:08:48.800 --> 00:08:51.140

Sonja: So that's where we are. We are tonight.

79

00:08:51.470 --> 00:08:55.020

Sonja: I'm not going to keep asking

80

00:08:55.080 --> 00:08:58.639

Sonja: if you do, you do, and if you don't, you don't.

81

00:08:58.870 --> 00:09:07.109

Sonja: So and that's just the way that goes. So with that, said, does anyone have anything else

82

00:09:07.260 --> 00:09:11.510

Sonja: that they would like to discuss

83

00:09:11.640 --> 00:09:17.289

about this draft? Do you think we should be going over it? I don't think we should line by line. But

84

00:09:17.420 --> 00:09:19.460

Sonja: I'm just a member of the committ

85

00:09:19.660 --> 00:09:29.440

Sonja: I wanna go with. With your thoughts and your opinions. So I'm I'm I'm asking in in this moment.

86

00:09:29.500 --> 00:09:39.239

Sonja: Do we accept it as it's written? Or is there something else that anyone on the committee thinks we should do that has not been done.

87

00:09:45.120 --> 00:09:55.989

Sonja: So then I guess we're I. Personally, I don't have anything to add to it. I

88

00:09:56.040 --> 00:10:00.090

Kimyatta Ricks: agreed with most of it, so I don't have anything to add or take away from it.

89

00:10:00.120 --> 00:10:03.109

Sonja: Thank you, thank you, Kim anyone else.

90

00:10:03.510 --> 00:10:10.189

Sonja: yeah, I can speaking, speaking, I don't know who's speaking? Please announce this as a woman.

91

00:10:10.260 --> 00:10:30.529

Elizabeth Hazel: of course. Yeah, this is Elizabeth. Ii agree as written. I think this is good. The part that I was highlighting says that the Jhpd has to provide the Calendar ability board their own community engagement plan. Looking at opportunities for potential overlap. So I think that's totally fine

92

00:10:30.540 --> 00:10:35.199

Elizabeth Hazel: as written, you know, and we can discuss those potential overlaps as they come up.

93

00:10:35.360 --> 00:10:40.840

Elizabeth Hazel: I just I was thinking, one more very minor thing on

94

00:10:40.880 --> 00:10:49.429

Sonja: Elizabeth, can I? Can I interrupt you just for a second, please. Wha wha whatever the pages? This is. Page 3.

95

00:10:49.460 --> 00:10:59.320

Sonja: This is section 2, office of community engagement. Ej, Pd, part partnerships. Just so people can just zip right to it.

96

00:10:59.390 --> 00:11:01.830

Sonja: And you are talking about

97

00:11:02.020 --> 00:11:08.089

Sonja: the item. B. Yes, ma'am. Item B, yes. Yeah.

98

00:11:08.240 --> 00:11:09.630

Sonja: Okay. Thank you.

99

00:11:09.640 --> 00:11:18.270

Elizabeth Hazel: And then, sorry. One other very minor one on section one. Sorry I'm trying to scroll. part. B, yeah.

100

00:11:18.570 --> 00:11:38.650

Elizabeth Hazel: I was just thinking that we should also include like, who will be sort of the secretariat who will take notes of community concerns right summary of these concerns, and then bring that back to the board. So kind of like, you know the secretary position, maybe. Just add that to section one

101

00:11:38.750 --> 00:11:48.619

Sonja: RE, where we say, start planning for the annual public meeting at least 6 months in advance by answering the following questions.

102

00:11:48.790 --> 00:11:53.140

Sonja: yes, okay. And so and so when that happens, and let me be clear.

103

00:11:53.230 --> 00:11:58.839

Sonja: Because I haven't looked at this in a in a little bit.

104

00:11:58.890 --> 00:12:03.879
Sonja: okay, alright. Okay, so let's go back.

105
00:12:04.220 --> 00:12:09.410
Sonja: And this is this is really what this is for. So

106
00:12:09.910 --> 00:12:24.910
Sonja: B is the ground rules meet the A B members. The meeting greets and then we go to E, where we plan for the annual public meeting.

107
00:12:25.210 --> 00:12:28.559
Sonja: So when it says annual public meeting.

108
00:12:29.470 --> 00:12:41.349
Sonja: we, as a committee won't be having an annual public meeting. This is, I think, meaning the meeting at large.

109
00:12:42.550 --> 00:12:53.900
Sonja: like the annual meeting that we do every December, the one that we had like we had October 20 sixth. But II wasn't there. I didn't. Couldn't make it. Is that the annual pump that is, the annual public meeting. Correct?

110
00:12:54.310 --> 00:12:55.990
Elizabeth Hazel: I think you're right. Yeah.

111
00:12:56.850 --> 00:12:59.440
Elizabeth Hazel: yeah, that's the ideal public meeting. Yeah.

112
00:12:59.830 --> 00:13:02.030
Sonja: right? So

113
00:13:03.410 --> 00:13:07.859
Sonja: that's included in the draft for us.

114
00:13:10.770 --> 00:13:19.769
Sonja: I don't know II never hmm. So we do have a we do have someone who takes the notes at the annual public meeting. Correct?

115
00:13:20.100 --> 00:13:39.179
Sonja: Yeah, you're right. IW. You know what I read that I was thinking that that those would be the community engagement meetings. But you're right. That's just referring to the annual meeting. But you're right. We

do have to have someone take notes. And I think that II haven't, you know, because we we all didn't really have a chance to discuss this.

116

00:13:39.240 --> 00:13:44.170

Sonja: In January I had just gotten the draft.

117

00:13:44.180 --> 00:13:52.160

Sonja: maybe a few hours before we all were meeting, and before that I meant I'm I was at work, and at the end of the day it's the end of the day, but

118

00:13:52.240 --> 00:13:55.189

Sonja: I've since had a chance to go over things, and

119

00:13:55.230 --> 00:13:59.139

Sonja: of course, you know, hopefully, we can find someone permanent

120

00:13:59.230 --> 00:14:04.840

Sonja: who will take the notes. But I think that may fall upon Miss Taylor.

121

00:14:04.870 --> 00:14:19.470

Sonja: so I'll I'll make certain of that, and find out and if not. you know, we'll just have to figure it out and and maybe take turns doing it. Who knows but we're not gonna let that

122

00:14:19.920 --> 00:14:33.310

Sonja: keep us from doing what we need to do tonight. But yes, I'm gonna make a note that we need someone to cause. We do, because Ryan and Elise took such great notes, gave such great

123

00:14:33.410 --> 00:14:47.890

Sonja: positive feedback, jumped in, you know, and I and and that I found that to be really helpful, because sometimes your mind is, is is a little bit of everywhere. So yes, that is, that's important. Does anybody else have anything to add

124

00:14:51.420 --> 00:14:53.419

Sonja: to the draft, because the

125

00:14:53.440 --> 00:14:55.559

Sonja: if not

126

00:14:55.890 --> 00:15:05.990

Sonja: I'll just call for them to be finalized. and that'd be that that'd be enough, said anyone else.

127

00:15:07.350 --> 00:15:10.420

Sonja: so does everyone.

128

00:15:10.890 --> 00:15:15.640

Sonja: Should we take a vote? Or you know, you just just call on you and

129

00:15:15.700 --> 00:15:22.709

Sonja: say, Accept, accept, or and then, you know, they're finalized. Is that is that how we should do that?

130

00:15:24.310 --> 00:15:28.270

Sonja: I accept the the draft with them. Up with the modifications.

131

00:15:28.530 --> 00:15:29.540

Sonja: Are

132

00:15:29.550 --> 00:15:32.729

Sonja: that Elizabeth suggested. I do

133

00:15:33.890 --> 00:15:35.090

Sonja: anyone else.

134

00:15:35.550 --> 00:15:36.870

Kimyatta Ricks: I second that

135

00:15:37.710 --> 00:15:38.950

Sonja: anyone else

136

00:15:39.280 --> 00:15:40.560

Elizabeth Hazel: except yes.

137

00:15:41.920 --> 00:15:44.730

Sonja: So that was Elizabeth. That was Kim

138

00:15:44.880 --> 00:15:46.850

Sonja: Katie.

139

00:15:54.280 --> 00:15:57.839

Elizabeth Hazel: I think Katie may have dropped. I don't see her listed anymore.

140

00:15:58.170 --> 00:16:00.280

Duke Tremitiere: This is due. I'm in agreement.

141

00:16:00.490 --> 00:16:06.979

Sonja: Okay? And so I mean, I'm in agreement that I agree that these

142

00:16:07.250 --> 00:16:09.709

Sonja: the draft is the excellent draft.

143

00:16:09.770 --> 00:16:11.830

Sonja: It's something

144

00:16:12.070 --> 00:16:24.129

Sonja: by which we can work, and I do want to mention that I received a nice what I think was a very nice and polite invite before every one leaves

145

00:16:25.750 --> 00:16:33.339

Sonja: from Floyd Germard. I think I'm saying her last name correctly. I'm not certain

146

00:16:33.920 --> 00:16:36.020

she

147

00:16:36.360 --> 00:16:38.610

Sonja: and I don't want to. I know she's a

148

00:16:38.660 --> 00:16:43.400

Sonja: faculty. She's from the KSAS. Faculty Senate

149

00:16:43.560 --> 00:16:45.470

Sonja: police Committee.

150

00:16:46.130 --> 00:16:47.760

Let me see.

151

00:16:49.200 --> 00:17:00.660

Sonja: she's vice chair. I don't know what that is, I don't know what KSAS. Is. I really don't But she sent me a

152

00:17:00.820 --> 00:17:02.120

Sonja: email

153

00:17:02.570 --> 00:17:09.210

Sonja: stating that she heard me ask on several occasions. If

154

00:17:11.390 --> 00:17:17.839

Sonja: if if someone had if they were in opposition, I'm trying to read what you said.

155

00:17:18.069 --> 00:17:21.509

Sonja: Sorry! Is there any way you could just forward it to the committee.

156

00:17:21.599 --> 00:17:26.309

Sonja: I can, I can I can! I can!

157

00:17:26.380 --> 00:17:32.789

Sonja: But I but I But I didn't. II just I wanted to send it to you, but I wanted to talk to Amy about it first.

158

00:17:33.030 --> 00:17:35.009

Sonja: In terms of

159

00:17:35.190 --> 00:17:55.629

Sonja: how to distribute it, or if this is what I should do. I don't wanna do it. I would rather that Amy does it, and then she takes that to whomever needs to see it first. If anybody needs to see it first. I'm not sure but I wanna be good with with what I do with my decision on it. But she she was inviting.

160

00:17:56.100 --> 00:18:00.679

Sonja: She said she wanted me to be kind enough to announce their virtual meeting

161

00:18:01.130 --> 00:18:09.020

Sonja: to the committee tonight, but I don't know. I don't know who she is I I've never met her. I don't know who she is.

162

00:18:09.240 --> 00:18:15.829

Sonja: And she said that The received the invitation

163

00:18:16.170 --> 00:18:27.070

Sonja: to come on for the about this meeting tonight. I just got this today, and I'll have to say, and I didn't want to mention it. I'm just getting over the flu. I'm a little under the weather still.

164

00:18:27.250 --> 00:18:28.699

Sonja: And

165

00:18:29.220 --> 00:18:35.889

Sonja: But II want to people to know that their opinions are important

166

00:18:35.970 --> 00:18:39.290

Sonja: to all of us, whether they agree or disagree.

167

00:18:39.610 --> 00:18:42.540

And she said she heard me say that.

168

00:18:42.790 --> 00:18:45.210

Sonja: and during previous meetings.

169

00:18:45.310 --> 00:19:03.749

Sonja: and if they were opponents to the proposed oppon opponents to the proposed GH. Pd. Could explain why they hold this position against the private armed police implemented by Johns Hopkins University. That's the question I was looking for in the body of this email, and she said that the

170

00:19:03.920 --> 00:19:07.900

Sonja: this group has some answers.

171

00:19:08.170 --> 00:19:11.690

Sonja: and Steve would like if I would attend.

172

00:19:11.880 --> 00:19:15.420

Sonja: And so when she asked if I would like to attend. I'm sure that's

173

00:19:15.590 --> 00:19:24.200

Sonja: something that's open to everyone else. But I just wanted you all to know that I did receive the email. And I just wanted

174

00:19:24.550 --> 00:19:33.489

Sonja: Claudia Maud, to know that, you know, I would certainly make mention of the email that I received.

175

00:19:33.500 --> 00:19:38.330

Sonja: I just want to talk to the board. I just want to talk to the chair.

176

00:19:38.400 --> 00:19:46.149

Sonja: and then we'll move from there. Is that okay with everybody? I mean, once I speak with Amy, or and with

177

00:19:47.530 --> 00:19:58.199

Sonja: Edward to get some clarity we'll we'll move forward in terms of of share out in terms of my sharing the the the email. Is that okay?

178

00:20:01.920 --> 00:20:06.420

Sonja: Do you all hear me? Hello.

179

00:20:06.540 --> 00:20:11.110

Kimyatta Ricks: Yes, that's fine. Yeah, that's fine. Okay.

180

00:20:11.250 --> 00:20:16.019

Sonja: yeah. Okay, okay. So we'll wait here. Back from you. During the next meeting.

181

00:20:16.120 --> 00:20:37.610

Sonja: Okay? And this is you talking, Kim, correct? Okay, I just look, I wanna I just wanna be sure it's very difficult, because we don't see each other hear each other that often, and I don't wanna get anybody mixed up with anybody else. So let me see and then next on the agenda

182

00:20:37.710 --> 00:20:48.820

Sonja: is to discuss schedule of events for the march for March Board approval, and I'm thinking that that may be that we all agree

183

00:20:49.070 --> 00:20:57.600

Sonja: on on the draft to finalize it. Discuss schedule of events. Oh, oh, in terms of

184

00:21:01.090 --> 00:21:10.060

Sonja: The first board, the, I guess the first community engagement meeting. What I'm going to do is I'm going to talk to Kui Ramos.

185

00:21:10.240 --> 00:21:15.990

Sonja: Because Corey is a key part of that

186

00:21:17.140 --> 00:21:19.170

she is

187

00:21:20.050 --> 00:21:28.880

Sonja: and I'm made of. She's she's our advisor, so to speak. She's the community engagement advisor. So if it's okay.

188

00:21:29.050 --> 00:21:37.359

Sonja: can I talk to her about some of the first things, and and what's mapped out in the draft?

189

00:21:37.820 --> 00:21:42.340

Sonja: And of course it's speak with public safety

190

00:21:42.480 --> 00:21:49.499

Sonja: as they are our partners and as I said, Ed and Gassy and the rest of the committee.

191

00:21:49.530 --> 00:21:55.130

Sonja: And I think that we'll just present that way in March, if if that's okay with everybody.

192

00:21:57.190 --> 00:21:59.089

Sonja: anybody opposed to that.

193

00:21:59.770 --> 00:22:16.479

Sonja: This is Kemiyada. That's fine. Okay, okay, thank you, Kim. Elizabeth. and we do

194

00:22:16.800 --> 00:22:20.789

Sonja: But also want to be welcoming to those who

195

00:22:21.120 --> 00:22:26.769

Sonja: want to express themselves. So I think pretty much everyone.

196

00:22:27.460 --> 00:22:30.320

That's it. There's no need to drag

197

00:22:30.670 --> 00:22:37.019

Sonja: to drag everything out. I think that. You know we've had enough time to go over it.

198

00:22:37.140 --> 00:22:53.500

Sonja: I'm satisfied with it. You all are satisfied. We invited everyone to the meeting who needs to be here wanted to be here. And so we just gonna keep things moving. And I thank you all. I thank you for your time. It's 6, 28,

199

00:22:53.630 --> 00:22:57.859

Sonja: and you know I will see you all at the

200

00:22:57.990 --> 00:23:08.049

Sonja: Do your board meeting. March the twentieth, 202460'clock to 7, 30, and that's what we'll be doing. That's the next meeting date.

201

00:23:08.340 --> 00:23:15.040

Sonja: So thank you all, and and have a good evening. Unless anyone has anything else to add, add, before we say good night

202

00:23:17.540 --> 00:23:31.419

Sonja: with that, Sonia. Thank you. Yes, yes, you are, you are so welcome, and you all know where to reach me always at your service. Good night. Thank you, guys.

203

00:23:31.540 --> 00:23:33.670

Kimyatta Ricks: Thank you. Good evening.

204

00:23:33.700 --> 00:23:37.540

Sonja: Oh, enjoy Portugal.

205

00:23:38.900 --> 00:23:40.370

Sonja: bye, Duke.

206

00:23:41.450 --> 00:23:44.400

Sonja: goodbye. Thanks. Talk to you soon.
