

WEBVTT

1

00:00:01.850 --> 00:00:05.099

Gus/Zoom Producer: Mr. Daniel Webster is joining, by the way.

2

00:00:05.410 --> 00:00:06.809

EHS-B224: Perfect, yes.

3

00:00:06.970 --> 00:00:08.470

Gus/Zoom Producer: And then.

4

00:00:08.470 --> 00:00:09.819

EHS-B224: You do have to hit the got it.

5

00:00:10.260 --> 00:00:11.400

Gus/Zoom Producer: I am going to...

6

00:00:11.400 --> 00:00:12.590

EHS-B224: the pound.

7

00:00:16.079 --> 00:00:22.799

Gus/Zoom Producer: Just give me one second here, I will... I will, give you a 3-count.

8

00:00:31.530 --> 00:00:34.160

Gus/Zoom Producer: Alright, you can, start talking in 3 seconds.

9

00:00:38.320 --> 00:00:45.689

EHS-B224: Alrighty, good evening, everyone. Welcome to our, September, Johns Hopkins Accountability Board meeting.

10

00:00:45.830 --> 00:00:50.640

EHS-B224: I'm gonna call this meeting to order at 6.02 PM.

11

00:00:50.750 --> 00:00:57.369

EHS-B224: First, on the agenda, we have our call to order, and then followed by our roll call, so...

12

00:00:58.050 --> 00:01:03.160

EHS-B224: If Amy would just do that. Good evening, everyone. April Warren? Here.

13

00:01:04.500 --> 00:01:05.970
EHS-B224: Daniel Webster?

14

00:01:08.950 --> 00:01:09.610
Daniel Webster: Here.

15

00:01:10.300 --> 00:01:12.400
EHS-B224: Ed Congathi?

16

00:01:14.850 --> 00:01:17.669
EHS-B224: Elizabeth Hazel? Here.

17

00:01:18.130 --> 00:01:19.790
EHS-B224: Isabella John.

18

00:01:20.100 --> 00:01:20.810
isabelle john: Here.

19

00:01:20.810 --> 00:01:22.570
EHS-B224: Isabelle John, I'm sorry.

20

00:01:23.330 --> 00:01:25.779
EHS-B224: My apologies. Jarrell Bratcher?

21

00:01:26.260 --> 00:01:26.960
Jerrell Bratcher: Yeah.

22

00:01:28.490 --> 00:01:31.129
EHS-B224: Jonathan Aguilair? Here.

23

00:01:31.480 --> 00:01:33.320
EHS-B224: Laura Rossi?

24

00:01:34.380 --> 00:01:37.139
EHS-B224: Natasha Ortiz-Fortier?

25

00:01:37.330 --> 00:01:38.550
EHS-B224: That's okay.

26

00:01:38.690 --> 00:01:39.070

Natasha OrtizFortier, BCPI-Senior Program Associate: Present.

27

00:01:40.420 --> 00:01:45.870

EHS-B224: Oh, she's not just... Dr. Panagus?

28

00:01:51.580 --> 00:01:53.010

EHS-B224: Sabrina Harris?

29

00:01:53.570 --> 00:01:54.440

Sabrina Harris, Public Justice Center: Premier?

30

00:01:55.500 --> 00:01:59.490

EHS-B224: Sam Johnson? Present. Sonya Merchant-Jones?

31

00:02:02.170 --> 00:02:04.090

EHS-B224: Sumana Condo?

32

00:02:07.550 --> 00:02:08.970

EHS-B224: Yuli Wong.

33

00:02:10.130 --> 00:02:12.190

Jerrell Bratcher: And Ms. Sonya's on here.

34

00:02:12.500 --> 00:02:13.110

Jerrell Bratcher: That's why.

35

00:02:13.110 --> 00:02:15.900

EHS-B224: Okay, thank you. 1, 2, 3...

36

00:02:16.150 --> 00:02:18.380

EHS-B224: 4, 5, 6, 7, 8, 9, 10.

37

00:02:18.760 --> 00:02:23.410

EHS-B224: Excellent. And, Johns Hopkins staff and guests?

38

00:02:24.040 --> 00:02:34.169

EHS-B224: If you could introduce yourselves. Hi, I'm Amy Taylor, support for, public safety and the Police Accountability Board. Thank you. And Calvin Smith, Deputy Chief of Staff.

39

00:02:34.640 --> 00:02:44.610

EHS-B224: Excellent. All right, and moving on, we have the approval of the July 16th Accountability Board Meeting Minutes. Did everyone get a chance to review those?

40

00:02:45.960 --> 00:02:47.810

EHS-B224: Any changes or updates?

41

00:02:48.990 --> 00:02:51.460

EHS-B224: Alright, so I will,

42

00:02:51.620 --> 00:02:59.860

EHS-B224: seek a motion to approve the minutes for the July 16th Accountability Board meeting? Motion to approve?

43

00:02:59.990 --> 00:03:10.929

EHS-B224: Motion to approve. Do we have a second? I'll second the motion to approve. A second. Motion has been approved and seconded. Can we have a vote? All in favor, please say aye. Aye. Aye.

44

00:03:13.090 --> 00:03:14.449

EHS-B224: All opposed? Aye.

45

00:03:16.620 --> 00:03:22.160

EHS-B224: Was that in the post? No, got it, okay. All right, the motion carries.

46

00:03:23.610 --> 00:03:27.600

EHS-B224: So we've approved the minutes for the July 16th Accountability Board meeting.

47

00:03:27.850 --> 00:03:42.859

EHS-B224: Next up, we have the, committee reports, and so we'll start off with the, data committee. Ms. Hasel, go ahead. Yeah, thank you. Yeah, so for the data committee, we got a,

48

00:03:43.270 --> 00:03:57.189

EHS-B224: a, screenshot of a prototype of a, police, activity, Johns Hopkins police activity, dashboard that was, passed around for comment, so I sent that

49

00:03:57.190 --> 00:04:15.559

EHS-B224: via email to the board, the data committee and the board as a whole, and I didn't get any comments back, so I think, you know, thank you for sharing. I understand there will be a, a new version, so, you

know, looking forward to hearing updates on that when those updates are available.

50

00:04:15.620 --> 00:04:22.910

EHS-B224: But, in the meantime, I think, the data committee and the board could consider, use cases

51

00:04:22.910 --> 00:04:38.590

EHS-B224: for how this data dashboard, could be used. I think we could consider them by thinking ourselves as students, faculty, staff, and community members, like, what we would want to see related to Johns Hopkins Police Activity on a public dashboard.

52

00:04:38.590 --> 00:04:44.840

EHS-B224: And then I think, it would be good for us to also talk to others in our community, what they would find most helpful.

53

00:04:44.840 --> 00:04:58.660

EHS-B224: And if people would be willing, maybe at a future meeting, to share those use cases, or those scenarios, or those ideas of what people would want to see, I think that would be a really good way to, give feedback to safety on that, so...

54

00:04:58.910 --> 00:05:00.780

EHS-B224: Alright, that's it, thank you.

55

00:05:01.190 --> 00:05:08.209

EHS-B224: Awesome, thank you. Moving on, we have the, Governance Committee.

56

00:05:10.050 --> 00:05:10.990

EHS-B224: The drug...

57

00:05:10.990 --> 00:05:20.519

Jerrell Bratcher: Yeah, no updates at this point, just hoping we'd be able to, finish up some other pieces, Madam Chair, you know, with, terms of committee assignment.

58

00:05:21.030 --> 00:05:26.990

EHS-B224: Gotcha, and that is... is that another... Oh, gotcha.

59

00:05:27.310 --> 00:05:32.659

Jerrell Bratcher: Because we didn't have quorum the, what, the last meeting to be able to do so, so we couldn't.

60

00:05:33.950 --> 00:05:37.109

EHS-B224: Okay, well, we can do the revisit now, right?

61

00:05:37.710 --> 00:05:39.339

EHS-B224: Because we have a quorum now?

62

00:05:39.340 --> 00:05:41.110

Jerrell Bratcher: Yeah, we have a quorum now.

63

00:05:44.410 --> 00:05:46.510

EHS-B224: Did you want to do that now, then, or...

64

00:05:46.880 --> 00:05:48.279

Jerrell Bratcher: Oh, sure.

65

00:05:48.280 --> 00:05:48.930

EHS-B224: Okay.

66

00:05:53.250 --> 00:05:58.269

Jerrell Bratcher: Is... Is Laura here? Or in the room?

67

00:05:58.270 --> 00:05:58.890

EHS-B224: Oh!

68

00:05:59.310 --> 00:06:02.050

EHS-B224: I don't think so. Oh, I don't think she... She's out of bed.

69

00:06:02.050 --> 00:06:02.450

Jerrell Bratcher: Alright.

70

00:06:02.450 --> 00:06:02.880

EHS-B224: Oh, okay.

71

00:06:02.880 --> 00:06:03.200

Jerrell Bratcher: Okay.

72

00:06:03.200 --> 00:06:06.510

EHS-B224: I'm sorry, I thought you were talking about the committee assignments.

73

00:06:06.510 --> 00:06:11.650

Jerrell Bratcher: Yeah, yeah, but that also includes her, because she wasn't, well, you know.

74

00:06:12.190 --> 00:06:12.620

EHS-B224: That's over.

75

00:06:12.620 --> 00:06:15.939

Jerrell Bratcher: That we also have her as well. So,

76

00:06:16.340 --> 00:06:19.179

Jerrell Bratcher: I cannot remember who else have not...

77

00:06:19.320 --> 00:06:27.720

Jerrell Bratcher: made their, call and election sure the last time on the committee assignments. I know we had... I think Jonathan needed some additional time.

78

00:06:32.950 --> 00:06:46.190

EHS-B224: Yeah, I have Jonathan down on the Training and Data Analysis Committee, and it just looks like, Isabelle, and Yuli aren't on any committees, so... Okay.

79

00:06:46.400 --> 00:06:47.749

EHS-B224: Isabel, do you know what?

80

00:06:50.400 --> 00:06:53.529

isabelle john: Oh, sorry, yeah, I'd be happy to work with data.

81

00:06:54.790 --> 00:06:55.540

EHS-B224: Bye.

82

00:06:56.970 --> 00:07:01.329

Jerrell Bratcher: And what's your second committee, Isabel, that you'd like to...

83

00:07:02.500 --> 00:07:20.330

isabelle john: Honestly, I would like to chat with Sabrina just a little bit further, and with April a little bit further before I make my choice. I'm sorry, I've been, out of the country for, a while now, so I still am just bringing myself up to speed a little further.

84

00:07:21.260 --> 00:07:22.760
EHS-B224: No problem.

85
00:07:22.760 --> 00:07:23.870
Jerrell Bratcher: I'm good.

86
00:07:25.460 --> 00:07:27.860
EHS-B224: Well, we can set up a call then, so that's fine.

87
00:07:27.860 --> 00:07:29.740
Jerrell Bratcher: And... and Yuli?

88
00:07:31.150 --> 00:07:35.040
EHS-B224: Yuki is not here. Oh.

89
00:07:35.670 --> 00:07:41.380
Jerrell Bratcher: If there's nobody else, then, Madam Chair, are we...
we're not missing anybody else?

90
00:07:41.720 --> 00:07:43.889
EHS-B224: Yeah, then that's... that is...

91
00:07:43.890 --> 00:07:44.570
Jerrell Bratcher: to me.

92
00:07:45.350 --> 00:07:47.480
EHS-B224: Oh, I didn't see. Who's that?

93
00:07:47.500 --> 00:07:48.180
Natasha OrtizFortier, BCPI-Senior Program Associate: Aye.

94
00:07:48.340 --> 00:07:49.410
Natasha OrtizFortier, BCPI-Senior Program Associate: This is Natasha.

95
00:07:49.550 --> 00:07:51.530
EHS-B224: She's driving. Oh!

96
00:07:51.530 --> 00:07:56.260
Natasha OrtizFortier, BCPI-Senior Program Associate: Yeah, there was a, A
question about...

97

00:07:56.580 --> 00:08:07.339

Natasha OrtizFortier, BCPI-Senior Program Associate: being on a committee, but I wasn't approved for it, and we were trying to decide if I could be approved for it, because we had to vote on it, and the person who was...

98

00:08:07.340 --> 00:08:09.930

Jerrell Bratcher: Oh, yes, yes, yeah, yeah, yeah. Yeah.

99

00:08:09.930 --> 00:08:13.779

Natasha OrtizFortier, BCPI-Senior Program Associate: I wasn't sure what... what would be... what was the outcome of that. I mean...

100

00:08:14.520 --> 00:08:15.000

Jerrell Bratcher: I get.

101

00:08:15.000 --> 00:08:24.679

Natasha OrtizFortier, BCPI-Senior Program Associate: I was training, and training was one, and the training chair wasn't at the last meeting, so...

102

00:08:24.860 --> 00:08:29.830

Natasha OrtizFortier, BCPI-Senior Program Associate: We tabled that, because you had to talk to her about it.

103

00:08:30.430 --> 00:08:31.300

EHS-B224: So...

104

00:08:31.560 --> 00:08:32.140

Natasha OrtizFortier, BCPI-Senior Program Associate: Okay.

105

00:08:32.370 --> 00:08:33.730

EHS-B224: What I remember...

106

00:08:33.990 --> 00:08:42.839

EHS-B224: was that you said that you would co-chair the training committee with Laura, but Lara wasn't there to say whether or not

107

00:08:43.270 --> 00:08:50.090

EHS-B224: She... she said she would co-chair in an email, so if you are open to co-chairing with her.

108

00:08:50.690 --> 00:08:55.359

EHS-B224: Still, then you will both be co-chairs of the training committee.

109

00:08:55.620 --> 00:08:57.819

Jerrell Bratcher: Yeah, you'll be good, just off of that.

110

00:08:58.360 --> 00:09:02.639

EHS-B224: I thought Laura would be the chair of the training committee. They were gonna, they were gonna do.

111

00:09:02.640 --> 00:09:04.979

Jerrell Bratcher: Jay asked about co-chairs.

112

00:09:05.420 --> 00:09:05.960

EHS-B224: Say it.

113

00:09:05.960 --> 00:09:08.290

Jerrell Bratcher: As opposed to just having a single chair.

114

00:09:09.140 --> 00:09:11.010

EHS-B224: Training.

115

00:09:11.960 --> 00:09:17.700

EHS-B224: Coaching. Alright, so we're just... Inking down what was in pencil before.

116

00:09:18.130 --> 00:09:19.460

EHS-B224: Basically. Okay.

117

00:09:21.190 --> 00:09:22.879

Jerrell Bratcher: It's nothing else, that's all for governor.

118

00:09:24.230 --> 00:09:25.050

EHS-B224: Alright!

119

00:09:26.260 --> 00:09:32.069

EHS-B224: Love it. And then, any... Other committee's updates?

120

00:09:33.470 --> 00:09:39.750

EHS-B224: Oh, I see Dr. Webster and, Ms. Sonia. Dr. Webster, do you go first?

121

00:09:40.040 --> 00:09:44.769

Daniel Webster: Yeah, just briefly, and I'm sorry I have to ask this, but

122

00:09:45.450 --> 00:09:50.600

Daniel Webster: I need... I need someone to remind me what committees I'm.

123

00:09:51.850 --> 00:10:05.390

EHS-B224: I can pull that up. Yep, so Dr. Webster, you are on Community Engagement and Policy, Review Committee, and you are helping to co-chair the Policy Review Committee.

124

00:10:06.140 --> 00:10:07.969

Daniel Webster: And who's my co-chair?

125

00:10:08.420 --> 00:10:13.129

EHS-B224: Dr. Simona Condol. Yeah.

126

00:10:13.290 --> 00:10:25.430

EHS-B224: All right. And so she's not here tonight, but... and we can send this list out to everybody, right? That'd be helpful, thank you. Okay, I'll send it out again, no worries. I know I got it, I don't know if it went down. Yes, thanks, that's just fine.

127

00:10:25.430 --> 00:10:27.280

Natasha OrtizFortier, BCPI-Senior Program Associate: Please do. Thank you, thank you.

128

00:10:27.280 --> 00:10:33.849

EHS-B224: Alrighty, and then, Ms. Sonia, I saw your hand was raised as well.

129

00:10:36.170 --> 00:10:37.260

EHS-B224: You're on mute.

130

00:10:45.540 --> 00:10:48.680

EHS-B224: Okay. Okay. There you go. There you go.

131

00:10:48.990 --> 00:10:53.720

Zoom user: I, I, I'd like to get a list of everyone that's on the...

132

00:10:53.840 --> 00:11:02.390

Zoom user: Community Engagement, committee, so that we can meet. I don't know where we'll meet, I'll speak with

133

00:11:02.420 --> 00:11:17.299

Zoom user: The chair about that, so that we can really come up with a solid plan, where we all plan it together, in terms of how we proceed to, be a part of the agenda of committees.

134

00:11:17.410 --> 00:11:23.650

Zoom user: I mean, our community organizations, Mount Vernon, Homewood Campus.

135

00:11:23.970 --> 00:11:39.349

Zoom user: In East Baltimore. I don't know if... I don't know if we... if we wait for them to come to us, or meaning to reach out to us to come, but I think it's best that we make ourselves... make it known that we are available to attend

136

00:11:39.350 --> 00:11:46.890

Zoom user: community organization meetings, association meetings. And I guess it would be the best

137

00:11:46.930 --> 00:11:54.079

Zoom user: practice if we all, you know, do that together. I'd also like to follow up

138

00:11:54.370 --> 00:12:06.559

Zoom user: with, what took place on the 4th of September, with Dr. I mean, with President Daniels and his staff, and follow up on some of the things

139

00:12:07.390 --> 00:12:12.489

Zoom user: spoke about. Maria said she would give me an email of, someone

140

00:12:12.590 --> 00:12:21.950

Zoom user: to touch base with, and you know, I want to do that as immediate as possible, with the rest of the committee. And that's pretty much all.

141

00:12:23.020 --> 00:12:38.040

EHS-B224: Okay. Alright, so, just to, confirm, Ms. Zonia, you would like to have a, a list of the community engagement committees members, and also, set a date for a

142

00:12:38.570 --> 00:12:41.470

EHS-B224: Community Engagement Committee meeting.

143

00:12:41.680 --> 00:12:46.519

Zoom user: Yeah, so we can talk about exactly how we're going to move forward

144

00:12:46.730 --> 00:12:49.859

Zoom user: With, what we're tasked with.

145

00:12:50.630 --> 00:12:52.000

EHS-B224: Gotcha. Alright.

146

00:12:53.100 --> 00:12:56.650

EHS-B224: And so we can do that.

147

00:12:57.740 --> 00:13:07.310

EHS-B224: Next up, we have Old Business. We actually just did that, so we can move on. That was the vote for the training... train...

148

00:13:08.230 --> 00:13:21.789

EHS-B224: I'm sorry, Trump, do we need to have... we don't need to have a vote for the Trading Committee Chair, right? Because they already agreed for it, or we do need to have a vote for it? Yeah, you voted on everything else. Oh, that's fair, okay. Remember, she... we couldn't vote on her because she wasn't here. Gotcha. But she's still not here.

149

00:13:22.260 --> 00:13:28.309

EHS-B224: So you got a chair. Okay. You got one chair. Alright, so, Jarrell?

150

00:13:31.080 --> 00:13:32.039

EHS-B224: Are you there?

151

00:13:36.000 --> 00:13:37.150

EHS-B224: He is there.

152

00:13:37.150 --> 00:13:39.530

Jerrell Bratcher: Yeah, I'm here. Yes. Okay.

153

00:13:39.530 --> 00:13:53.149

EHS-B224: Alright, because you are the, you're in charge of the voting, if you could, hold a vote for voting in Natasha, as our training committee co-chair.

154

00:13:53.670 --> 00:13:54.340

Jerrell Bratcher: Okay.

155

00:13:56.790 --> 00:14:10.140

Jerrell Bratcher: Do we have... so, there's voters for, Natasha as the training committee co-chair. Do we have, some... oh, hold on, do we... no, we don't need a second. No, we need to do a roll call, right?

156

00:14:10.250 --> 00:14:10.730

Jerrell Bratcher: Sorry.

157

00:14:10.730 --> 00:14:17.869

EHS-B224: No, we already have a roll call. We... we... No. Motion, second, she has to accept.

158

00:14:17.870 --> 00:14:19.659

Jerrell Bratcher: Oh, okay, so motion seconded.

159

00:14:19.660 --> 00:14:31.500

EHS-B224: I'm sorry, I thought we did that last year, because I had that in the minutes. I thought we did that last... last meeting. We did vote her in, and you all said, yeah, so she's already in. She's already in. You just have to do...

160

00:14:31.500 --> 00:14:44.899

EHS-B224: Okay, so we're gonna have to move that to next meeting. I apologize. I did just read those minutes, too, so... Okay. Alright, so we will move that to next full board meeting.

161

00:14:46.590 --> 00:14:54.140

EHS-B224: All right. And then, moving on from that, sorry, Jarrell, moving on from that, we have our annual meeting.

162

00:14:54.240 --> 00:14:56.250

EHS-B224: And...

163

00:14:56.910 --> 00:15:10.450

EHS-B224: For those of you that are new on the board, our annual meeting is where we have, we are open to members of the public, staff.

164

00:15:10.790 --> 00:15:27.360

EHS-B224: faculty, community members, anybody that wants to join, we are made available to them for one of our meetings, and we hear feedback, we take questions, we usually sometimes do, like, a short presentation about

165

00:15:27.450 --> 00:15:31.859

EHS-B224: What has gone on over the last year, kind of like,

166

00:15:32.210 --> 00:15:40.630

EHS-B224: basically just an annual meeting, really. And so we have some things to decide, basically.

167

00:15:41.440 --> 00:15:42.780

EHS-B224: Number one.

168

00:15:43.560 --> 00:15:53.530

EHS-B224: Usually, we have it... I don't know what to say usually, but last year, we planned to have it in October, during our regularly scheduled

169

00:15:53.630 --> 00:15:58.660

EHS-B224: meeting, but committee meeting, so...

170

00:15:58.930 --> 00:16:16.209

EHS-B224: is that an option for everybody? Are you all open to holding this in October? And I think the date is... sorry, I had it written down. 10-15. 10-15. Good, 10-15. So, October 15th, Wednesday, from 6 to 7.30.

171

00:16:16.670 --> 00:16:22.190

EHS-B224: And... I, personally, and this is...

172

00:16:22.310 --> 00:16:30.419

EHS-B224: a board decision, was hoping that it would be where we would be online. We would all be in person, but haven't spoken.

173

00:16:30.540 --> 00:16:34.480

EHS-B224: to the public, online via, like, a Zoom meeting.

174

00:16:34.610 --> 00:16:38.479

EHS-B224: WebEx, whatever format.

175

00:16:38.950 --> 00:16:45.480

EHS-B224: Is that something that is... I think it's a good idea. Yeah. Is there...

176

00:16:45.780 --> 00:16:50.890

EHS-B224: Discussion, anything that Dr. Worst says, thumbs up a little bit.

177

00:16:52.170 --> 00:17:05.669

EHS-B224: But just for... for ease of everybody, I mean, a lot of y'all are not here in person, so it is much easier to have us all available, because we do have to have a quorum for it.

178

00:17:05.970 --> 00:17:11.189

EHS-B224: to be a public meeting. So is there any...

179

00:17:12.220 --> 00:17:17.620

EHS-B224: I may not be available, but I've been doing it virtually, yeah.

180

00:17:17.740 --> 00:17:18.730

EHS-B224: Okay.

181

00:17:20.359 --> 00:17:21.869

EHS-B224: Anybody else, Darrell?

182

00:17:23.910 --> 00:17:25.130

EHS-B224: Is that anything?

183

00:17:26.359 --> 00:17:27.889

Jerrell Bratcher: I think we're good to go.

184

00:17:28.470 --> 00:17:34.829

EHS-B224: Alright. I think we should make it as easy as possible for the public. Gotcha. Alright, so...

185

00:17:34.990 --> 00:17:40.809

EHS-B224: For our annual meeting, only at 1015, 6 to 7.30.

186

00:17:40.950 --> 00:17:42.030

EHS-B224: would...

187

00:17:43.320 --> 00:17:55.450

EHS-B224: what type of information? I think what I'll do, if it's okay with everybody else, is to, like, write a short intro, but what are the things that you think, as the public, would want

188

00:17:55.630 --> 00:18:05.190

EHS-B224: to hear most. And again, it's going to be short, so that most of the time can be for public feedback and commentary. But Sabrina, your hand's up?

189

00:18:08.300 --> 00:18:15.819

Sabrina Harris, Public Justice Center: Yes, how do we get the message to the public that this is our annual meeting? What has been done in the past for

190

00:18:16.730 --> 00:18:18.160

Sabrina Harris, Public Justice Center: To notify the public.

191

00:18:18.490 --> 00:18:20.010

Sabrina Harris, Public Justice Center: Like, what venues are we using?

192

00:18:20.870 --> 00:18:27.239

EHS-B224: So usually, it's on the public safety website, and then...

193

00:18:27.290 --> 00:18:46.259

EHS-B224: We do send out communication to the community association presidents, or their, their listservs, so that they can share that with their community associations. You all, you know, talk to your individual stakeholder groups.

194

00:18:46.260 --> 00:18:54.139

EHS-B224: So that's typically how we get it out. And historically, what we found is that there's a...

195

00:18:54.340 --> 00:19:11.779

EHS-B224: a set of dedicated community members who also shared that information online pretty broadly, so we are not lacking for people showing up. That has not been the experience thus far.

196

00:19:12.310 --> 00:19:13.129

Sabrina Harris, Public Justice Center: Okay, thank you.

197

00:19:14.710 --> 00:19:21.120

EHS-B224: Yeah, and so then, with... yeah, one more question. Oh, I'm sorry, Isabel. So hard. Go ahead, Vic.

198

00:19:21.480 --> 00:19:30.270

isabelle john: Yeah, so on your point of what we should prepare... be prepared to answer, for the larger meeting with the public.

199

00:19:30.350 --> 00:19:44.510

isabelle john: I've already kind of heard some concerned voices from students at the Homewood campus as to what makes the police different from, the existing campus and public safety we currently have, and what, like.

200

00:19:44.650 --> 00:19:49.319

isabelle john: Power can they marshal up that is greater than, campus security?

201

00:19:51.000 --> 00:19:58.209

EHS-B224: So what makes the police different than the current... Than public safety. Than public safety? Okay, got it. Do you know the answer to that question?

202

00:19:58.610 --> 00:20:00.530

isabelle john: I know the answer, but I know that.

203

00:20:00.530 --> 00:20:09.480

EHS-B224: But no, that's a good point, and and the other thing I would share, Ms. Harris, is...

204

00:20:09.990 --> 00:20:17.799

EHS-B224: There is a presentation that exists that you all have updated over the last year. I'll share that with,

205

00:20:17.950 --> 00:20:29.829

EHS-B224: April, and then you all can use that however you will. But that is one of those spaces where you can, you know, give your updates, but also, to your point, Isabel,

206

00:20:29.940 --> 00:20:34.869

EHS-B224: answer, or ask whatever questions, or do whatever FAQs,

207

00:20:35.040 --> 00:20:39.919

EHS-B224: That you all want to make sure you touch on during the course of that meeting before people start asking questions.

208

00:20:40.080 --> 00:20:40.790
EHS-B224: Okay.

209
00:20:40.990 --> 00:20:41.660
Sabrina Harris, Public Justice Center: Okay.

210
00:20:41.960 --> 00:20:42.720
Sabrina Harris, Public Justice Center: Thank you.

211
00:20:43.660 --> 00:20:44.880
EHS-B224: Ms. Sonya?

212
00:20:45.620 --> 00:20:52.940
Zoom user: Yeah, well, in the past, it's been a lot of different formats.
We've had an outside moderator.

213
00:20:53.050 --> 00:20:58.599
Zoom user: I don't know about that. We've had, where people had
different.

214
00:20:58.730 --> 00:21:11.910
Zoom user: parts in the total presentation. And I think it was a little
longer than the, hour and a half, but I'm not certain. And,

215
00:21:12.130 --> 00:21:25.619
Zoom user: I just think that it's something that needs to probably be put
together. It was a listening session, that's what I wanted to say. A lot
of times it was a listening session where we just listened.

216
00:21:25.690 --> 00:21:35.320
Zoom user: And we didn't have any, ex... any exchange. It was a moderator
who would... who would sort of, like.

217
00:21:35.450 --> 00:21:39.790
Zoom user: give answer or response or replies.

218
00:21:39.890 --> 00:21:52.299
Zoom user: to what the public was sharing with the board. Sort of like
asking questions the same as what Ms. John just asked. So, is that what
we're going to do, or are we going to...

219
00:21:52.530 --> 00:22:06.959

Zoom user: Have some, one available, or even ourselves available, to answer, questions from the public in accordance with the various, as they fall under the various committees.

220

00:22:08.020 --> 00:22:20.739

EHS-B224: It was, 21CP, I think she monitored, yeah. So, so, yeah, and so Benicia is available, if you all want to utilize her, you know, and that's a, that's a matter of preference,

221

00:22:20.790 --> 00:22:34.269

EHS-B224: If the chair wants to moderate, she can, or if you all decide there's someone else you want to moderate, but she will be available, and she will, she can be available to be there. Obviously, I will be there.

222

00:22:34.270 --> 00:22:45.989

EHS-B224: So for any questions like the one that Isabel has raised, if it's something that I need to take back or answer in real time, I'm happy to do that. And also happy to make sure that

223

00:22:46.780 --> 00:23:00.579

EHS-B224: you all have whichever information that you think is necessary from an FAQ or other standpoint, so that you all can ask those questions. My goal is not to really have to engage, however, if it's something that is beyond what you all.

224

00:23:00.580 --> 00:23:01.080

Zoom user: Right.

225

00:23:01.540 --> 00:23:05.250

EHS-B224: should be engaging with. We're happy to do that.

226

00:23:06.760 --> 00:23:17.649

EHS-B224: Yeah, so personally, and, you know, and I, I definitely want feedback from members of the board, because this is a...

227

00:23:17.800 --> 00:23:21.289

EHS-B224: question and answer with us as the board. I would, like.

228

00:23:21.440 --> 00:23:25.390

EHS-B224: us to be the ones answering questions.

229

00:23:26.110 --> 00:23:29.099

EHS-B224: that pertains to the board. If it's a...

230

00:23:29.780 --> 00:23:38.889

EHS-B224: you know, a specific question that has to do... that isn't in our purview, that pertains to Hopkins Police Department, then...

231

00:23:39.020 --> 00:23:45.740

EHS-B224: Obviously, Calvin, should be the one answering that. But is there any...

232

00:23:45.970 --> 00:23:51.649

EHS-B224: concern with that, or comfortability? Oh, I see Sonya and Sabrina.

233

00:23:51.910 --> 00:23:55.210

EHS-B224: And, oh, and Natasha.

234

00:23:55.210 --> 00:23:56.250

Natasha OrtizFortier, BCPI-Senior Program Associate: I don't know if myself or.

235

00:23:56.250 --> 00:23:58.679

Jerrell Bratcher: Oh, and my hands is also raised after the wonderful...

236

00:23:58.680 --> 00:24:13.990

EHS-B224: Okay, I can't see anybody's hand. I'm sorry, y'all. Can't see the little hands? But I couldn't see Jarrell's. Oh, yeah. That's because he's not on video. Oh, okay. So, we'll go Sonya, Natasha, Sabrina, Jarrell.

237

00:24:14.920 --> 00:24:34.009

Zoom user: Well, I think that it would be great if you moderated. I don't know, you know, that's just my opinion as a board member. It would be wonderful. Calvin's there in support, as he always has been. And, I think that, that's a, that's a good idea. I think you did a wonderful job.

238

00:24:34.170 --> 00:24:42.429

Zoom user: a really wonderful job with President Daniels and his cabinet, and I think that we should stand on that.

239

00:24:43.600 --> 00:24:44.600

EHS-B224: Alright.

240

00:24:45.200 --> 00:24:48.369

EHS-B224: Sprina? Or does I say Natasha?

241

00:24:49.720 --> 00:24:51.250

EHS-B224: Natasha, go ahead.

242

00:24:52.570 --> 00:24:55.329

Natasha OrtizFortier, BCPI-Senior Program Associate: Alright, so I had a couple of...

243

00:24:55.430 --> 00:25:02.779

Natasha OrtizFortier, BCPI-Senior Program Associate: extends in reference to how this process went. So, even if there is an announcement that

244

00:25:02.880 --> 00:25:20.030

Natasha OrtizFortier, BCPI-Senior Program Associate: says, hey, we're having this meeting. Do people have an opportunity, or is there a mechanism for them to maybe submit some questions or topics or things ahead of time, so that we can say, okay, it would help for us to build our agenda so that

245

00:25:20.280 --> 00:25:27.690

Natasha OrtizFortier, BCPI-Senior Program Associate: we can, you know, whatever relationships we have with the communities where JHPD is.

246

00:25:27.930 --> 00:25:38.489

Natasha OrtizFortier, BCPI-Senior Program Associate: So that we can field those, some of those ahead of time, or maybe just be able to get a theme in terms of getting feedback. I don't know if we've done that,

247

00:25:38.830 --> 00:25:40.270

Natasha OrtizFortier, BCPI-Senior Program Associate: In the past? Yeah.

248

00:25:41.430 --> 00:25:42.440

Natasha OrtizFortier, BCPI-Senior Program Associate: Yeah.

249

00:25:42.440 --> 00:26:03.109

EHS-B224: questions have come in in the past. They were sent to the Accountability Board email box, and when they come in, then we would fill it out to whoever it needs to go to Public Safety, so that they can be familiar or know in advance what questions are being asked, and then if it was filled out to you all, that was for you all, then you all would receive that as well. Okay. So yeah, and just, like, any time...

250

00:26:03.110 --> 00:26:04.980

EHS-B224: Any question can come, too.

251

00:26:05.190 --> 00:26:06.179

EHS-B224: the accountability journal.

252

00:26:06.180 --> 00:26:06.710

Natasha OrtizFortier, BCPI-Senior Program Associate: Okay.

253

00:26:06.950 --> 00:26:22.800

Natasha OrtizFortier, BCPI-Senior Program Associate: Well, I'm specifically talking about the communication that would be shared with... I don't know, is it an email? Is it a flyer? Is it a social post? Like, I'm not really sure, because, you know, newbies here. And they're like, okay, here is where you...

254

00:26:23.100 --> 00:26:28.210

Natasha OrtizFortier, BCPI-Senior Program Associate: What are you interested in here? Are there a bucket of topics that typically

255

00:26:28.430 --> 00:26:43.770

Natasha OrtizFortier, BCPI-Senior Program Associate: we cover for these meetings, like, you know, use of force, or accountability, and people can say, okay, well, I want to know more about this, and this is how they do that? Or is it just like, hey, here's an e-blast, and you guys want to go out to...

256

00:26:44.070 --> 00:26:47.040

Natasha OrtizFortier, BCPI-Senior Program Associate: come to this meeting. Like, I'm just trying to get... wrap my head around.

257

00:26:47.040 --> 00:26:47.450

EHS-B224: F.

258

00:26:47.450 --> 00:27:02.719

Natasha OrtizFortier, BCPI-Senior Program Associate: what to expect, and what this will look like, so that people also have just an opportunity to express their concerns, ask their questions, you know, we... that we're following up appropriately, so just...

259

00:27:03.010 --> 00:27:04.260

Natasha OrtizFortier, BCPI-Senior Program Associate: Helping me to, sort of.

260

00:27:04.470 --> 00:27:05.810

EHS-B224: Yeah. Wrap my hand around.

261

00:27:05.810 --> 00:27:06.520

Natasha OrtizFortier, BCPI-Senior Program Associate: on this.

262

00:27:06.930 --> 00:27:20.470

EHS-B224: So, to directly answer your question, is there a form that we sent out in the communication that solicits feedback for topics? I don't think that's... that's something that has happened in the past.

263

00:27:20.470 --> 00:27:27.640

EHS-B224: As far as I'm aware. However, what I am aware of is, typically.

264

00:27:28.160 --> 00:27:40.969

EHS-B224: We have not been short for questions or themes from the community, and if I'm being completely transparent, typically, we may schedule this for an hour and a half or two hours, and we always go over.

265

00:27:41.040 --> 00:27:51.729

EHS-B224: Because there are that many people who have whatever it is they want to get off their heart and get off their chest to share about this particular endeavor. I know...

266

00:27:51.730 --> 00:28:04.200

EHS-B224: that in other organizations, we do engage in that type of process, where we solicit that type of feedback. As a board, you're welcome to do that, but I... it has not... we have not lacked

267

00:28:05.230 --> 00:28:27.410

EHS-B224: for people who are concerned or not concerned, and they actually are, you know, on the other side of the pendulum with regard to the JHPD, who have come and expressed themselves and asked whichever questions that they've needed to ask, and a lot of that is what's built in our FAQs. So I would also recommend

268

00:28:27.900 --> 00:28:39.180

EHS-B224: For, especially for the new members who haven't experienced it, if all of the videos are posted, and if you go take a look online, you can kind of get a flavor for

269

00:28:39.180 --> 00:28:55.760

EHS-B224: how those meetings go, because, you know, there is a long period of time where people are just... it's question after question after question after question after question. They do not come unprepared, to ask, but this is not something that has been historically done.

270

00:28:55.820 --> 00:29:06.169

EHS-B224: But it is something that, if you all choose to do it as a board, when we send out the communication, you know, we'll create a QR code or something like that, so people can scan and...

271

00:29:06.170 --> 00:29:20.520

EHS-B224: I mean, it takes 2 seconds, and if that's how you all want to build your theme, I would just, you know, recommend that this is something that you all as a board decide on sooner than later, because we need to kind of get that form built

272

00:29:20.850 --> 00:29:22.850

EHS-B224: And get that communication out.

273

00:29:23.030 --> 00:29:24.670

EHS-B224: Like, yesterday.

274

00:29:25.580 --> 00:29:44.010

Natasha OrtizFortier, BCPI-Senior Program Associate: And I ask this only because there's, you know, I looked at some of the previous communications and videos and things like that, you know, it also would help us track our responses, because I know we have to respond to questions, you know, within a certain time frame of.

275

00:29:44.010 --> 00:29:44.570

EHS-B224: Yep.

276

00:29:44.570 --> 00:29:58.479

Natasha OrtizFortier, BCPI-Senior Program Associate: these meetings are communications, so if people had an opportunity to say, like, oh, the comms go out October 1, and they have this question, then it's like, alright, well, we responded to that already. So, I don't know, that's what I was just thinking about, like...

277

00:29:58.480 --> 00:29:59.200

EHS-B224: I gotcha.

278

00:29:59.200 --> 00:30:00.279

Natasha OrtizFortier, BCPI-Senior Program Associate: in terms of...

279

00:30:00.480 --> 00:30:13.049

Natasha OrtizFortier, BCPI-Senior Program Associate: you know, our level of being responsive to community questions and, needs. So, thank you for, answering that, Calvin, and, you know, Amy.

280

00:30:13.240 --> 00:30:18.570

Natasha OrtizFortier, BCPI-Senior Program Associate: you know, we want to co-collaborate, I'm happy to... Help on that process.

281

00:30:19.240 --> 00:30:28.829

EHS-B224: Oh, that'd be great. Yeah. I do also remember, too, when sometimes we... when the questions that were not able to be answered during that two-hour period,

282

00:30:29.100 --> 00:30:46.019

EHS-B224: the board still took a look at that, or either the leadership team took a look at that, and they were able to, like you said, answer it in that if they dropped it on... online, so that at least they did have a response. It may not have been at the spot, but they did have a response. Gotcha, okay.

283

00:30:46.240 --> 00:30:52.770

EHS-B224: So, are we able to, just in terms of the send-out email, able to...

284

00:30:52.940 --> 00:30:59.199

EHS-B224: look at it as a board afterwards? Okay. So we'll get to review that, and Natasha will be...

285

00:30:59.350 --> 00:31:02.239

EHS-B224: Absolutely looking for feedback and input.

286

00:31:02.530 --> 00:31:07.240

EHS-B224: From you to get that word involved. And then, Sabrina?

287

00:31:08.350 --> 00:31:12.079

Sabrina Harris, Public Justice Center: So, yes, that's kind of what my,

288

00:31:12.710 --> 00:31:16.920

Sabrina Harris, Public Justice Center: what I want to say kind of was like what Natasha said, like, what...

289

00:31:18.120 --> 00:31:28.009

Sabrina Harris, Public Justice Center: are we asking for questions up front so we'll know how to answer? Because the challenge for me is that, because I am new to the board, a couple of us are new.

290

00:31:28.320 --> 00:31:32.980

Sabrina Harris, Public Justice Center: I don't want to be sitting there looking like, I don't know the answers.

291

00:31:33.350 --> 00:31:35.819

Sabrina Harris, Public Justice Center: Because I think we need to show a...

292

00:31:36.150 --> 00:31:45.659

Sabrina Harris, Public Justice Center: front, that we're all on the same page, and we all understand, our mission. So, It appears that

293

00:31:47.880 --> 00:31:53.929

Sabrina Harris, Public Justice Center: Maybe the way it was done before. Everybody just answers questions, and, like, how do we keep

294

00:31:54.330 --> 00:32:03.009

Sabrina Harris, Public Justice Center: things organized. Like, when you have a public meeting, you got people standing up, you got people fussing, you got people... like, how... how do we have the,

295

00:32:03.330 --> 00:32:07.540

Sabrina Harris, Public Justice Center: boundaries and guidelines of the meeting. I guess I'm saying something different now.

296

00:32:07.620 --> 00:32:08.230

Zoom user: No, no, no.

297

00:32:08.230 --> 00:32:08.930

EHS-B224: Yeah, that's correct.

298

00:32:08.930 --> 00:32:09.310

Zoom user: No.

299

00:32:09.310 --> 00:32:09.660

EHS-B224: Perfect.

300

00:32:09.660 --> 00:32:23.710

Sabrina Harris, Public Justice Center: So, because to me, if you're having a public forum, that means people are coming with their own agendas, they want to be heard, they're freaking out, so what do we have as a board,

301

00:32:23.960 --> 00:32:31.449

Sabrina Harris, Public Justice Center: a way to control, soft control.
We're not... we're trying to be transparent as well, but a soft control of

302

00:32:31.650 --> 00:32:44.499

Sabrina Harris, Public Justice Center: our audience, because we could go on for 5 hours, I'm sure, and not answer everybody's questions. So that was kind of my concern with what Natasha was saying. Is there pre-questions already that people can send us that we can, you know, answer?

303

00:32:44.580 --> 00:32:54.580

Sabrina Harris, Public Justice Center: Our stakeholders, like me, I would go to the Mount Vernon Community Association, say, this meeting's gonna happen, do anybody have any questions? Send them to me.

304

00:32:54.750 --> 00:33:00.009

Sabrina Harris, Public Justice Center: So that I can give it to the board. So I'm just trying to think of how we do it in an organized.

305

00:33:00.970 --> 00:33:11.619

Sabrina Harris, Public Justice Center: way that shows that we're all one front, and we all understand our mission. And I guess, as it was, suggested, I should probably go online and look at some of the other meetings as well.

306

00:33:11.620 --> 00:33:16.049

EHS-B224: Yeah, and so... and Jerome, let me get to you in one second. One of the things you're gonna find is that.

307

00:33:16.150 --> 00:33:16.750

Zoom user: Yeah.

308

00:33:16.750 --> 00:33:19.220

EHS-B224: We are not going to be getting a lot of questions.

309

00:33:19.570 --> 00:33:26.989

EHS-B224: like, there are going to be questions, but a lot of them are going to be very easy to find answers, right?

310

00:33:28.890 --> 00:33:43.790

EHS-B224: We... we... it's a responsibility to do the annual meeting, and to have general basic information that we're gonna give out. However, there is just gonna also be a lot of people that don't actually want their questions answered, they just want to speak their

311

00:33:43.940 --> 00:33:46.180
EHS-B224: Opposition? Yes. And that's fine.

312
00:33:46.340 --> 00:34:03.299
EHS-B224: And they can do that. And sometimes people say, I don't want an answer to this question, I want my whole 2 minutes, and they're... that's what they get. And that's absolutely fine, we are here to listen to them, and they... and they are able to share that with the rest of the public.

313
00:34:03.880 --> 00:34:11.089
EHS-B224: on the meeting. However, if someone says, how many officers do you have currently employed with Johns Hopkins Police Department?

314
00:34:11.389 --> 00:34:12.210
EHS-B224: That's...

315
00:34:12.409 --> 00:34:23.629
EHS-B224: Actually, a question that's been answered multiple times, but we're also going to answer that at the beginning, and so whoever wants to, you know, raise their hand real quick, they can answer it, right?

316
00:34:23.900 --> 00:34:26.489
EHS-B224: That's a very easy question. Again.

317
00:34:26.610 --> 00:34:36.109
EHS-B224: As you look back on the previous, annual meetings, you're gonna find that there's not actually that many questions.

318
00:34:36.330 --> 00:34:40.860
EHS-B224: And so, Jarrell, I see you.

319
00:34:41.150 --> 00:34:42.209
EHS-B224: With your hand up.

320
00:34:43.320 --> 00:34:47.770
Jerrell Bratcher: Well, the end, I'll start with the N.

321
00:34:48.070 --> 00:34:58.219
Jerrell Bratcher: From a governance standpoint, with, Ms. Sabrina and, Ms. Natasha with your questions. We...

322
00:34:59.080 --> 00:35:04.170
Jerrell Bratcher: As a board, at work to...

323

00:35:05.120 --> 00:35:19.749

Jerrell Bratcher: Craft out, like, a guideline and rules of the road as it pertains to, like, public meetings, and then how they will be, you know, conducted and held, meeting norms and expectations.

324

00:35:19.890 --> 00:35:27.869

Jerrell Bratcher: And we also put that into the bylaws, and I forget which section it's in, but there is a public meetings section

325

00:35:28.200 --> 00:35:37.169

Jerrell Bratcher: It's about, like, 4 pages of that bylaws document, and, you know, that's the framework, you know, that we'll operate from, and...

326

00:35:37.200 --> 00:35:52.789

Jerrell Bratcher: share with the community as well, so that they are, you know, understand what the expectation is for meeting, meeting setting, decorum, and things of that nature, so that it can go, you know, smoothly. The, the other additional piece, I was gonna add is

327

00:35:52.970 --> 00:35:54.400

Jerrell Bratcher: Might be good.

328

00:35:54.890 --> 00:35:59.829

Jerrell Bratcher: for us to resurface that, FAQ document.

329

00:36:00.010 --> 00:36:02.609

Jerrell Bratcher: the FAQ document that we had worked on.

330

00:36:02.880 --> 00:36:13.429

Jerrell Bratcher: didn't get to do at the, the last, public meeting, but, could, could do there. I'm not sure if, for the ones who were,

331

00:36:13.840 --> 00:36:30.010

Jerrell Bratcher: one with the last term might be helpful, you know, to recirculate so that the new board members have it, and we can make some updates between then and now, because we've also had and experienced the gap training, and so my other recommendation and thinking

332

00:36:30.050 --> 00:36:37.610

Jerrell Bratcher: about that also in preparation for this meeting. That'd be good, you know, for both April and... or I...

333

00:36:38.080 --> 00:36:41.670

Jerrell Bratcher: my opinion, for April, and

334

00:36:42.170 --> 00:36:56.539

Jerrell Bratcher: Genesia to, co, like, co-facilitate that, annual public, meeting, together, and, you know, kind of move us through, you know, it.

335

00:36:58.350 --> 00:37:16.149

Jerrell Bratcher: And given that we had GAP, you know, it'd be great to have, you know, 21CP and some of those other folks there, because those should be... those updates that we've experienced and engaged in would be helpful in that setting for the community to know and hear about.

336

00:37:16.280 --> 00:37:17.180

Jerrell Bratcher: That's.

337

00:37:17.970 --> 00:37:19.550

EHS-B224: Okay.

338

00:37:19.550 --> 00:37:20.320

Zoom user: Oh, like.

339

00:37:20.320 --> 00:37:20.900

EHS-B224: bet.

340

00:37:21.470 --> 00:37:24.920

EHS-B224: And Ms. Sonia, I think you had your hand up at one point, too.

341

00:37:25.530 --> 00:37:28.500

Zoom user: No, well, you know, I'm just listening.

342

00:37:28.790 --> 00:37:32.799

Zoom user: I'm just listening, I just think that, you know, from, like, 6 to...

343

00:37:32.980 --> 00:37:52.390

Zoom user: 7.30, and again, I'll say again, you did a wonderful job, you know, handling the meeting. Jarrell just said that the bylaws, map out the way that we operate, what is tolerated, what is not. I mean, not that people will do it, but at least we'll make an attempt.

344

00:37:52.390 --> 00:37:55.909

EHS-B224: We truly have never been able to control someone.

345

00:37:55.910 --> 00:37:58.279

Zoom user: Who really did not want to...

346

00:37:58.440 --> 00:38:06.880

Zoom user: comply with, you know, what's set before them, and that's okay, too, as you said, but, you know, I think that

347

00:38:07.190 --> 00:38:17.660

Zoom user: I don't know. I'd just like to hear, what 21CP would add to it. This is nothing personal, but I just want to know what would they add to it?

348

00:38:17.790 --> 00:38:29.169

Zoom user: That we haven't grown to be able to do, at the, with the chairperson, leading us. I just, you know, I'm just curious.

349

00:38:31.100 --> 00:38:45.550

EHS-B224: Yeah, thank you. Yeah, this has been a really helpful discussion, and, I... I kinda... I think I agree with, maybe what I think Ms. Sonia was saying, that, I think,

350

00:38:45.740 --> 00:38:54.769

EHS-B224: CP21, yeah, 21CP, like, gave us really valuable guidance on how to organize and moderate

351

00:38:54.770 --> 00:39:05.900

EHS-B224: these, community meetings, you know, from the beginning, because really, you know, and we really learned a lot, but I do think, just like you said, there's value in, you know.

352

00:39:05.930 --> 00:39:08.430

EHS-B224: Presenting ourselves,

353

00:39:08.630 --> 00:39:23.250

EHS-B224: I'm gonna say independent, but I don't think that's the right word, but, you know, sort of like standing alone as a board, and being like, we're here to answer your questions, we're here to listen, because that's what we're mandated to do by the government. So I, you know, I think it would be good to get,

354

00:39:23.600 --> 00:39:31.279

EHS-B224: 21 CPs, like, maybe, like, inputs, or, you know, thoughts, or let's consult them, but I think we should stand as a board for the... yeah.

355

00:39:32.460 --> 00:39:37.330

EHS-B224: Yeah, I think because we... we also do have the...

356

00:39:37.610 --> 00:39:41.359

EHS-B224: option, if there's something that we can't answer right away, or something that

357

00:39:41.490 --> 00:39:56.990

EHS-B224: can't answer completely or effectively right away, we can say we will get back to you with an answer. That's always an option, because that's how we operate anyway, and we have 30 days to do so as a board.

358

00:39:57.370 --> 00:39:57.969

Zoom user: Oh, be it.

359

00:39:58.990 --> 00:40:00.649

EHS-B224: And I think,

360

00:40:00.890 --> 00:40:13.470

EHS-B224: the last time, I think it would be also helpful, that you all would create your own speaking points so that you could have that in front of everyone. Those speaking points would really help the flow of that meeting. Yeah.

361

00:40:14.300 --> 00:40:28.039

EHS-B224: And so what I was thinking was, I think before, and I... I've only done two annual meetings, this would be my second one, but, was it each person had up to 2 minutes?

362

00:40:28.180 --> 00:40:51.519

EHS-B224: For a question? Okay, so up to 2 minutes for a question. And that was really strictly moderated, they cut them off. Yes, which was... Yeah, that was me. Yeah, we need that, so... So, Calvin will bring a stopwatch. And as far as the time, it's always been, I think it was always from 6 to 8. Okay.

363

00:40:51.520 --> 00:40:55.619

EHS-B224: Well, I mean, you all have to tell me what time. Yes.

364

00:40:56.120 --> 00:40:59.649

EHS-B224: You know, and then I can start working on the agenda.

365

00:41:00.120 --> 00:41:06.120

EHS-B224: Yeah, I think, does anybody have an objection to 6 to 8 p.m?

366

00:41:08.350 --> 00:41:13.049

EHS-B224: no. Well, 5 to 7, you all can tell me.

367

00:41:13.930 --> 00:41:23.189

EHS-B224: 5's such a hard start time. That's what I hear from the public. Okay. So we'll do 6 to 8 p.m. Okay.

368

00:41:24.200 --> 00:41:25.990

EHS-B224: We can look at our...

369

00:41:26.200 --> 00:41:35.130

EHS-B224: the previous presentation and add to it, and I'll send that around to the rest of the board if there's any comments and things to add.

370

00:41:35.600 --> 00:41:45.909

EHS-B224: And the other thing I'll do, I'm going to make a note, to send around a spreadsheet, kind of like what, Amy was saying, about talking points.

371

00:41:46.350 --> 00:41:54.370

EHS-B224: If there's anything... yeah, everybody will have space. If there's anything that you feel strongly about, or that you want to answer or talk about, specific...

372

00:41:55.080 --> 00:41:56.959

EHS-B224: You can kind of claim that.

373

00:41:57.260 --> 00:42:01.899

EHS-B224: in that document, does that kind of work for everybody?

374

00:42:02.580 --> 00:42:05.080

EHS-B224: Talking plan spreadsheet...

375

00:42:05.720 --> 00:42:16.519

EHS-B224: And then to make sure that we are getting the maximum amount of time to the public, because it is really a meeting for them.

376

00:42:16.520 --> 00:42:17.360

Zoom user: I think.

377

00:42:17.360 --> 00:42:21.959

EHS-B224: We should try to keep our answers to, like, under... under a minute.

378

00:42:23.330 --> 00:42:45.149

EHS-B224: I know, I know some of us are chatty, but we'll make sure we have a stopwatch for ourselves, as well, so for a one-minute response. And then also, we do want to make sure that we keep in mind that some people do not want to ask questions, they want to speak and be heard. That's fine. And that's fine. And so...

379

00:42:45.150 --> 00:42:48.909

EHS-B224: just be really respectful if someone says, I do not want this question answered.

380

00:42:49.700 --> 00:42:53.569

EHS-B224: They don't get the question answered, and we move on to the next person.

381

00:42:54.800 --> 00:43:00.610

EHS-B224: The one thing I was gonna ask, and I don't know if this is, if anyone is familiar, but...

382

00:43:00.650 --> 00:43:02.140

EHS-B224: previously.

383

00:43:02.140 --> 00:43:21.520

EHS-B224: when you're... when you... because I've spoken at the annual public meeting before. When you... it's your turn to speak, you're actually kicked off the meeting, and then brought back in, and so it's like, wait, can you see me? Can you hear me? So, yeah, so it's the format of the webinar. Okay. So in a webinar.

384

00:43:21.520 --> 00:43:25.410

EHS-B224: They are... you're either a panelist, or you're a,

385

00:43:26.940 --> 00:43:32.679

EHS-B224: a participant. Okay. And in order to speak, you have to be promoted to a panelist.

386

00:43:32.930 --> 00:43:38.079

EHS-B224: And so all of you will be panelists. Okay. All of the public will be...

387

00:43:38.430 --> 00:43:42.850

EHS-B224: participants. Okay. They will raise their hand, they will get moved from

388

00:43:43.370 --> 00:43:52.800

EHS-B224: panelists, from participant to panelist, they will ask their question. And then once that's over, they get moved back from panelists back to participant.

389

00:43:53.120 --> 00:43:55.559

EHS-B224: Is there a time, though, where you don't...

390

00:43:55.780 --> 00:44:04.540

EHS-B224: see or hear what's going on during the movement? Yes. Okay. Because they're transitioning from one part of the platform to the other.

391

00:44:05.270 --> 00:44:06.140

EHS-B224: Okay.

392

00:44:07.550 --> 00:44:20.939

EHS-B224: So if you're asking... We... I never moved anyone... well, I tried not to, anyway. Oh, okay. I can only speak for what I did last year. Okay, so that was last year, that wasn't, like, two or three years ago.

393

00:44:20.940 --> 00:44:24.139

Jerrell Bratcher: It's only, like, a 30 second, like, 10 to 30 second lag.

394

00:44:24.140 --> 00:44:39.439

EHS-B224: Yeah, right, and for me listening, I've never really heard that it was, like, a break in between, so... I don't know for last year, because I was here. It was brief. It's brief, but I think that, to your point... Because if you're asking questions, someone starts answering immediately, but you're...

395

00:44:39.540 --> 00:44:52.479

EHS-B224: So I don't move anybody out until after their question has been answered. Got it, okay. So that's been... that's how I've managed it. Got it. But I can't speak to, you know, what might have happened previously, but the goal is

396

00:44:53.040 --> 00:44:58.840

EHS-B224: To make sure you're in the hotel. Yeah, you get your question answered, and then we move to the next person. Okay.

397

00:44:59.020 --> 00:44:59.900

EHS-B224: Alright.

398

00:45:00.380 --> 00:45:04.609

EHS-B224: So there's... there's gonna be a little bit here,

399

00:45:05.040 --> 00:45:07.659

EHS-B224: So we'll get the spreadsheet out.

400

00:45:08.030 --> 00:45:12.559

EHS-B224: the FAQ document, we'll recirculate that.

401

00:45:12.850 --> 00:45:18.179

EHS-B224: We'll craft some sort of language in the... the...

402

00:45:18.970 --> 00:45:25.010

EHS-B224: e-blast, I guess we'll call it, to get some questions in advance, if possible.

403

00:45:25.350 --> 00:45:32.449

EHS-B224: And the presentation from before will make updates to that as well.

404

00:45:32.590 --> 00:45:37.189

EHS-B224: Is there anything else we should be...

405

00:45:38.780 --> 00:45:44.089

EHS-B224: Thinking about... I've got a question, but... Oh, sabrina, my goodness.

406

00:45:44.090 --> 00:45:51.209

Sabrina Harris, Public Justice Center: Just another question. Do we invite any, like, city council or any legislators that's interested or know about

407

00:45:51.510 --> 00:45:57.210

Sabrina Harris, Public Justice Center: This sport, do they ever come, or do they care, or do we invite them?

408

00:45:57.930 --> 00:45:59.620

Sabrina Harris, Public Justice Center: That's a question.

409

00:45:59.760 --> 00:46:05.859

EHS-B224: I mean, we can. I mean, they're members of the public, so they're... they are welcome to come. I'm sure...

410

00:46:06.140 --> 00:46:13.840

EHS-B224: not all of them are gonna... I mean, not all of the city council folks are gonna be... they all have an interest in the city, but they all aren't in

411

00:46:14.100 --> 00:46:15.260

EHS-B224: representing.

412

00:46:15.370 --> 00:46:22.550

EHS-B224: Areas where the Hopkins Police Department is. But yeah, we should...

413

00:46:23.050 --> 00:46:23.580

Sabrina Harris, Public Justice Center: Just ask.

414

00:46:23.580 --> 00:46:29.640

EHS-B224: At least include the ones that, Are in the... in the footprint.

415

00:46:30.170 --> 00:46:34.010

EHS-B224: So, just for clarity, so, am I hearing that

416

00:46:34.380 --> 00:46:51.649

EHS-B224: some of the board members will be sending invites out personally themselves, or is it all going to be funneled through the Accountability Board email box? Are you all sending me the list of... Good question. ...as before?

417

00:46:52.280 --> 00:47:04.309

Natasha OrtizFortier, BCPI-Senior Program Associate: I was curious, yeah, if there was a sort of general list, or if there was a communication that, you know, for example, okay, here's the email, or here's the flyer.

418

00:47:04.680 --> 00:47:05.880

Natasha OrtizFortier, BCPI-Senior Program Associate: And can just...

419

00:47:06.160 --> 00:47:15.860

Natasha OrtizFortier, BCPI-Senior Program Associate: post or circulate through our networks, or post on social, or LinkedIn, or... so something that we can just share out, because it's, you know, public.

420

00:47:16.390 --> 00:47:17.160

Natasha OrtizFortier, BCPI-Senior Program Associate: So that...

421

00:47:17.590 --> 00:47:24.469

Natasha OrtizFortier, BCPI-Senior Program Associate: That would be my, you know, question. You know, just something... I don't have to draft it, but just, I can push it.

422

00:47:25.710 --> 00:47:36.569

EHS-B224: As a general statement, there's nothing that precludes you from sending any communication that comes out from the Accountability Board through your networks.

423

00:47:37.190 --> 00:47:49.959

EHS-B224: And in terms of the list, that is generated through, our government and community relations office. They maintain the list of all of the community association president, leaders.

424

00:47:49.960 --> 00:48:00.749

EHS-B224: So that's where we get that communication from, with respect. And, and, as we learned, last year, it is, based on

425

00:48:00.750 --> 00:48:19.489

EHS-B224: the areas and the communities that have been a part of this process from the beginning. And so we have identified... so as community members, you come from three very specific things that are defined by the law. We have also been very specific in making sure that when we're including those communities.

426

00:48:19.540 --> 00:48:35.790

EHS-B224: it is the same set of communities that have been a part of this the entire time, and are the ones that are directly impacted by the formation of the GHPD. Again, I don't... there's nothing that's a problem with

427

00:48:35.790 --> 00:48:45.629

EHS-B224: And we have traditionally just crafted some communication. It's not been anything, you know, a nice fancy flyer or anything like that. It's just typically been

428

00:48:45.630 --> 00:49:01.769

EHS-B224: here's what it is, here's the timing, and then, Amy will send out that communication. I think last year, Jarrell sent it out to a broader set of folks. Not the end of the world, it's not a problem, but

429

00:49:01.830 --> 00:49:13.249

EHS-B224: yeah, if you want to send it out, we can absolutely create the communication to send out. If you all want to do something more fancy, we can figure that out, too.

430

00:49:13.400 --> 00:49:25.449

Natasha OrtizFortier, BCPI-Senior Program Associate: And I ask this, too, because it's like, I'm not... I mean, I'm... I'm in the community of JHPD, but then the community that I serve is, like, if I'm talking about faculty, staff.

431

00:49:26.190 --> 00:49:30.919

Natasha OrtizFortier, BCPI-Senior Program Associate: Right. They might not live in the neighborhoods, but they are impacted, so that's a very different...

432

00:49:30.920 --> 00:49:41.610

EHS-B224: You raise a good point, and that's, you know, something that we've talked about a lot, as you all have been talking about.

433

00:49:41.610 --> 00:49:57.369

EHS-B224: communicating with the external, stakeholders. You know, Jonathan and Isabel and others, who are staff and faculty should also be sharing this, in whichever capacities they think make sense, because

434

00:49:57.370 --> 00:50:11.409

EHS-B224: There are voices, in those stakeholder groups as well that, you know, should be a part of this conversation. And that, that is something that, you know, as a board, I encourage.

435

00:50:12.950 --> 00:50:16.479

Natasha OrtizFortier, BCPI-Senior Program Associate: I just want to make sure that we're doing community and.

436

00:50:17.060 --> 00:50:17.850

Natasha OrtizFortier, BCPI-Senior Program Associate: That's all.

437

00:50:18.200 --> 00:50:30.649

Natasha OrtizFortier, BCPI-Senior Program Associate: Because, you know, I know Isabella and Jonathan, you know, there's a whole student population,

undergrad, graduate school, like, you know, there's... there's a lot of stakeholders in this annual meeting that can

438

00:50:30.880 --> 00:50:36.000

Natasha OrtizFortier, BCPI-Senior Program Associate: That have a voice in this, too, so just want to make sure that we're being inclusive.

439

00:50:36.930 --> 00:50:42.440

EHS-B224: Okay. And I think one of the things, too, that, like, yes,

440

00:50:42.700 --> 00:50:49.669

EHS-B224: Usually, I think usually it also gets picked up by the press at some point, so, like, if you... if you're...

441

00:50:49.900 --> 00:50:57.210

EHS-B224: getting news, your Baltimore-specific news, you're gonna hear about it anyway. But,

442

00:50:57.490 --> 00:51:01.510

EHS-B224: When we talk about community and including community, we want to...

443

00:51:01.850 --> 00:51:13.940

EHS-B224: one of the reasons, and I think we learned this the hard way a little bit last year as board members, was sending it out broadly to, like, all the community associations across Baltimore. There are some people that are like, well.

444

00:51:14.340 --> 00:51:19.889

EHS-B224: they weren't... they weren't involved, they weren't affected, and they're like, why is Johns Hopkins getting the police department? But it...

445

00:51:20.440 --> 00:51:24.740

EHS-B224: I get it, but that... Those questions aren't helpful at this stage.

446

00:51:25.010 --> 00:51:27.890

EHS-B224: When it's already happening, because...

447

00:51:28.170 --> 00:51:47.320

EHS-B224: it's just... it's just not helpful to have that input whenever there's people that are actively here affected, like faculty, like staff, like students, like community. And so, as a community association

president, I got the email before, about the annual meetings, and just forwarded it out to my

448

00:51:47.780 --> 00:52:06.849

EHS-B224: my listserv as a community association, and I'm hoping that's what other community association presidents do as well. I have a question. Yeah. So, when should this communication go out to the community? Because that's kind of very important. Soon. Soon. So...

449

00:52:07.540 --> 00:52:14.910

EHS-B224: When does it usually go up? Well, today is the 17th. October the 15th is not that far.

450

00:52:15.020 --> 00:52:15.930

EHS-B224: Yeah. So...

451

00:52:15.930 --> 00:52:18.169

Jerrell Bratcher: It's gotta be, like, ASAP.

452

00:52:18.170 --> 00:52:22.540

EHS-B224: Are you all giving yourself a week, two weeks, to get

453

00:52:23.820 --> 00:52:26.380

EHS-B224: Yeah, I mean, a week till the 24th?

454

00:52:28.090 --> 00:52:31.749

EHS-B224: September 24th? So September 24th, you'll have...

455

00:52:31.870 --> 00:52:35.020

EHS-B224: That's when you would like for me to send out the communication? Yes.

456

00:52:35.190 --> 00:52:47.900

EHS-B224: Okay. So we will have to have our... whatever verbiage and things like that, September 24th, email... A Zoom link to click and... Email out, yeah.

457

00:52:48.770 --> 00:52:49.830

EHS-B224: What length?

458

00:52:50.010 --> 00:52:58.429

EHS-B224: I mean, we don't have to recreate the wheel, I can just pull what I... Yeah, if you want to pull it, and then we can edit it. I'll send it to you. Perfect. Alright, that... I think that'd be easier.

459

00:52:58.550 --> 00:53:02.610

EHS-B224: All right. Anybody else? Yeah, one more. Yes.

460

00:53:02.730 --> 00:53:04.020

EHS-B224: So,

461

00:53:04.550 --> 00:53:19.049

EHS-B224: maybe, we should consider voting on, the format of being virtual, because last year, we had got a lot of feedback from the community that they wanted to be in person, and we had to switch for various reasons, so I think maybe

462

00:53:19.050 --> 00:53:26.099

EHS-B224: I would like to introduce a motion to vote to have it be virtual, so this decision can be fully from the board and be very transparent.

463

00:53:26.100 --> 00:53:26.690

Zoom user: Mmm.

464

00:53:26.690 --> 00:53:29.079

EHS-B224: Yeah, that's Sabrina back at the meeting.

465

00:53:30.850 --> 00:53:42.070

EHS-B224: So, we have a motion to hold our annual meeting in, virtually. Here a second.

466

00:53:42.440 --> 00:54:01.709

EHS-B224: I'll go ahead and second that motion. Jonathan, seconded. So we have a motion on the table to, hold our annual meeting, virtually. The motion has been moved and seconded. All those in favor? And I... we should do a roll call on this. I'm taking an 8. All right, should I just go down?

467

00:54:01.710 --> 00:54:04.130

EHS-B224: Okay, so April.

468

00:54:04.240 --> 00:54:11.820

EHS-B224: I don't vote, right? No, you don't vote? Yes. Unless I vote? Okay, I...

469

00:54:12.400 --> 00:54:16.490

EHS-B224: Dr. Webster, how do you vote for virtual and person?

470

00:54:17.090 --> 00:54:20.800

EHS-B224: For virtual, yeah. Oh, virtual. Yeah, so I for virtual, yeah. Okay.

471

00:54:21.660 --> 00:54:28.619

EHS-B224: Elizabeth, how do you vote? aye, yeah. In favor.

472

00:54:29.590 --> 00:54:31.870

EHS-B224: Isabelle, how do you vote?

473

00:54:32.250 --> 00:54:34.040

isabelle john: Aye. In favor?

474

00:54:35.140 --> 00:54:38.080

EHS-B224: Darrell, how do you vote?

475

00:54:41.390 --> 00:54:48.700

Jerrell Bratcher: -Oh, I'm sorry, apologies. My reception went out.

476

00:54:48.980 --> 00:54:49.869

EHS-B224: What did he say?

477

00:54:49.870 --> 00:54:55.859

Jerrell Bratcher: My reception went out. You said we were... could you clarify the vote one more time?

478

00:54:57.040 --> 00:55:01.410

EHS-B224: Oh, yes, how do you vote? Do you vote for virtual, meeting?

479

00:55:02.270 --> 00:55:03.590

EHS-B224: Are you on the annual meeting?

480

00:55:04.270 --> 00:55:08.659

Jerrell Bratcher: What, so voting for virtual versus...

481

00:55:08.660 --> 00:55:13.149

EHS-B224: Versus nothing. Virtual's the only thing on the table.

482

00:55:13.150 --> 00:55:18.810

Jerrell Bratcher: Oh, so just only... so no... no in-person, just virtual only?

483

00:55:18.960 --> 00:55:28.619

EHS-B224: to my understanding, it was a hybrid meeting, where it's, like, they had the option to do virtual, or... No, no, no. Okay, yeah. We will be in person.

484

00:55:28.880 --> 00:55:31.339

EHS-B224: The public is everybody else's virtual.

485

00:55:32.290 --> 00:55:36.610

Jerrell Bratcher: Oh, wow. But no... oh, I... huh.

486

00:55:37.900 --> 00:55:44.509

EHS-B224: Maybe we should stop the vote to clarify. Okay, let's, let's, let's... let's table this vote. Yeah.

487

00:55:44.510 --> 00:55:45.120

Jerrell Bratcher: Don't you say that?

488

00:55:45.120 --> 00:55:55.309

EHS-B224: You want your table to clarify? Yeah, I'm able to clarify. So, right now, what, Elizabeth brought up was that in the past, we had,

489

00:55:55.520 --> 00:55:59.050

EHS-B224: Some, communications that,

490

00:55:59.840 --> 00:56:05.650

EHS-B224: People wanted it in person, and then we had to move it, kind of last minute, to virtual, and...

491

00:56:06.090 --> 00:56:17.750

EHS-B224: So there was, I guess confusion, discrepancies, for people getting access. And so, Elizabeth, made it...

492

00:56:18.180 --> 00:56:20.850

EHS-B224: Made a motion to,

493

00:56:21.450 --> 00:56:28.110

EHS-B224: Hold our meeting only... only virtually, which is what we've been discussing up until this point.

494

00:56:28.320 --> 00:56:32.670

EHS-B224: And so, Now, it...

495

00:56:33.410 --> 00:56:48.150

EHS-B224: Is there any discussion, clarification? Where would this meeting take place? Here, in this... Well, that's the plan, hopefully. Okay, then this works better. In this very room, or what will it be? In this building. In this building. Okay.

496

00:56:48.150 --> 00:56:52.759

Jerrell Bratcher: And no in-person for the public at all, whatsoever?

497

00:56:55.140 --> 00:57:06.990

EHS-B224: I think that it would be nice to maybe offer it in person. I feel like as though we might not get a large majority, or maybe many people that would come in person, but I feel like

498

00:57:07.100 --> 00:57:13.790

EHS-B224: If they're so... if they're so passionate and inclined to come in person, we should at least give them that hump.

499

00:57:14.300 --> 00:57:20.640

EHS-B224: Now, if it's in person, it will not be held here. We would have to find a venue.

500

00:57:20.640 --> 00:57:24.079

Jerrell Bratcher: Yeah, yeah, somewhat... yeah, we could use... Hopkins got a lot of properties.

501

00:57:24.520 --> 00:57:28.959

EHS-B224: But that's, that's what they're saying, is Hopkins...

502

00:57:30.320 --> 00:57:32.710

Zoom user: Here we go, here we go.

503

00:57:34.430 --> 00:57:38.489

EHS-B224: Okay, I'll keep it. Well, like... I... I don't...

504

00:57:39.190 --> 00:57:43.389

EHS-B224: No, look, we will figure it out. Okay. We'll figure it out.

505

00:57:43.390 --> 00:57:43.950

Zoom user: Oops.

506

00:57:43.950 --> 00:57:47.519

EHS-B224: I can... If that choice is in person, however.

507

00:57:48.200 --> 00:57:52.649

EHS-B224: Right now, the thing that's on the floor is virtual. Dr. Hazel, any thoughts?

508

00:57:53.100 --> 00:57:54.260

EHS-B224: Can we...

509

00:57:54.260 --> 00:57:58.879

Jerrell Bratcher: Did you also make a vote for in-person as well? I mean, what we...

510

00:57:58.880 --> 00:58:02.509

EHS-B224: So right... right now, there's a motion on the floor, so we... if you'd like to...

511

00:58:03.220 --> 00:58:22.250

EHS-B224: remove your motion? Well, I think, is it okay to keep discussing? Yeah, we can keep discussing. Yeah, because I think, there's a lot of new members, maybe to give some background, and hope you can jump in as well, too. So, last year, we had aimed to have it hybrid, and, so there, was a group of people that wanted to disrupt that.

512

00:58:22.620 --> 00:58:38.189

EHS-B224: So, you know, coming and voicing your opinion is fine, but disrupting it and, even having it, like, at a church, like a community center, and there were plans circulated online, I think, I never saw them, but to, like, cause...

513

00:58:38.740 --> 00:58:52.809

EHS-B224: damage, or harm, or something like that. So, a couple of days before, we got advice to hold it virtually, and we did decide, as a board, from what I remember. I'm having trouble remembering, too. So...

514

00:58:53.000 --> 00:59:01.450

EHS-B224: at this point, I think we wanna... we are considering having it only be virtual, so there's no issue of

515

00:59:01.450 --> 00:59:17.960

EHS-B224: harm to the community, community disruption, and things like that. It's... so there is a safety issue, but also it's just less confusing. So, like, we're virtual all the way. So, like, there's no going back and forth, or... so... so that's kind of what happened last time, and I think that's why I'm in support of making it virtual from the start, yeah.

516

00:59:18.880 --> 00:59:22.479

EHS-B224: To... to add to that, I...

517

00:59:22.840 --> 00:59:28.450

EHS-B224: from the beginning, loved the idea of being in person. I thought that was fantastic. However.

518

00:59:29.750 --> 00:59:35.719

EHS-B224: thinking back on the other meetings that I've seen, and again, a lot of them were during COVID,

519

00:59:36.100 --> 00:59:44.579

EHS-B224: Holding to a two-minute question for each person requires buy-in from the community to also do that, and

520

00:59:45.430 --> 00:59:48.999

EHS-B224: I... based on the things we saw last year.

521

00:59:49.130 --> 00:59:55.040

EHS-B224: I don't see that as being... viable? Or...

522

00:59:55.480 --> 00:59:57.910

EHS-B224: Something that we can realistically come to expect.

523

00:59:58.390 --> 00:59:59.659

EHS-B224: However, and also.

524

00:59:59.920 --> 01:00:04.469

EHS-B224: If you all vote to have it in person, That's fine, too.

525

01:00:05.150 --> 01:00:11.050

EHS-B224: The other thing that happens with it being in person is that

526

01:00:11.760 --> 01:00:19.570

EHS-B224: There's gonna be logistics coming from any one of the three campuses. If you're... if you're...

527

01:00:19.990 --> 01:00:21.980

EHS-B224: In one of the three areas.

528

01:00:22.870 --> 01:00:26.149

EHS-B224: There's a 33% chance it's not going to be where

529

01:00:26.490 --> 01:00:38.819

EHS-B224: you are. So, that is something to also consider. Still a barrier. What was it? Oh, it's still a barrier, yeah. It's still a barrier. And so, and while, yes, I understand there are

530

01:00:39.420 --> 01:00:43.579

EHS-B224: connectivity issues. I do think we're going to be alleviating some of that with

531

01:00:43.890 --> 01:00:49.139

EHS-B224: Going to in-person community association meetings, and so it's not that...

532

01:00:49.290 --> 01:00:50.830

Zoom user: Yeah.

533

01:00:50.830 --> 01:00:58.190

EHS-B224: people are not going to have access to us in person. It's just that the annual meeting, which has typically been the

534

01:00:58.840 --> 01:01:10.090

EHS-B224: most... Intense, I guess. It's... it's not... at this... Intimate a setting.

535

01:01:11.170 --> 01:01:17.200

EHS-B224: and so that's... that's my... My input on that.

536

01:01:19.740 --> 01:01:21.460

EHS-B224: Any input on Zoom?

537

01:01:24.480 --> 01:01:28.210

EHS-B224: like, cherrell?

538

01:01:29.010 --> 01:01:30.919
Jerrell Bratcher: Give me that one more time.

539
01:01:31.390 --> 01:01:38.170
EHS-B224: What, what, what are your, what are your, your pros of doing in person?

540
01:01:39.220 --> 01:01:43.460
EHS-B224: like, on... To... to help clarify for some of the newer members.

541
01:01:43.920 --> 01:01:51.340
Jerrell Bratcher: I mean, I think one of the things that we learned, you know, just from the totality of last year.

542
01:01:51.590 --> 01:01:54.640
Jerrell Bratcher: That, you know, many of the,

543
01:01:55.130 --> 01:02:10.010
Jerrell Bratcher: members of the public, you know, internally and externally, would appreciate, you know, an in-person opportunity, to be able to, you know, engage with us, be able to talk, you know, with us, especially, you know, if we're talking about, you know, community, and so...

544
01:02:10.010 --> 01:02:18.719
Jerrell Bratcher: extend and, you know, try to have that opportunity to be able to do so. There's some wonderful updates that we've had, transpire.

545
01:02:18.720 --> 01:02:30.240
Jerrell Bratcher: even over the last 8 months, like I said, one most notably is the, the GAP training, you know, which kind of points to that. So, you know, if there's an opportunity that we have.

546
01:02:30.240 --> 01:02:46.190
Jerrell Bratcher: to be able to meet with the public, you know, in an in-person setting. We should. I mean, we also were talking about, you know, moving to a point of getting some printed, you know, postcards and things that we can be able to hand out at some point.

547
01:02:46.230 --> 01:02:57.619
Jerrell Bratcher: in community settings, in meetings. So, I mean, I think we should, you know, at the stage where we are now, you know, where we are now is kind of different from where we are.

548

01:02:57.730 --> 01:03:03.430

Jerrell Bratcher: Where we were, you know, kind of in the past, even, you know, a year, year and a half looking back.

549

01:03:03.640 --> 01:03:19.280

Jerrell Bratcher: But, you know, we should try. We got, you know, many more officers added that you've been doing engagement with the community and in person, you know, to be able to, you know, shake some hands and greet and meet some folks and, you know.

550

01:03:19.280 --> 01:03:19.800

EHS-B224: Oh, shit.

551

01:03:19.800 --> 01:03:33.620

Jerrell Bratcher: Do the same, because we are that, you know, community conduit for, you know, this, you know, wonderful... or this initiative and apparatus that's been, you know, set up.

552

01:03:35.050 --> 01:03:38.590

EHS-B224: Go ahead, and, I see, Sabrina.

553

01:03:40.830 --> 01:03:45.599

Sabrina Harris, Public Justice Center: I had mixed emotions about that,

554

01:03:46.130 --> 01:03:49.849

Sabrina Harris, Public Justice Center: The climate in which we find ourselves in this world.

555

01:03:50.150 --> 01:03:53.950

Sabrina Harris, Public Justice Center: People, want to turn up and turn out.

556

01:03:54.250 --> 01:04:04.930

Sabrina Harris, Public Justice Center: We're talking about, A sensitive subject, policing, to... to...

557

01:04:05.420 --> 01:04:12.330

Sabrina Harris, Public Justice Center: I've not gone to a public event, however, I'm just concerned about...

558

01:04:13.480 --> 01:04:21.419

Sabrina Harris, Public Justice Center: People's, giving themselves permission to say and do whatever they want to do, in this day and time, in this climate.

559

01:04:22.220 --> 01:04:23.480

Sabrina Harris, Public Justice Center: I think...

560

01:04:23.590 --> 01:04:37.709

Sabrina Harris, Public Justice Center: April did say we would still have opportunities to go to the community meetings of the three communities that we, are going to be servicing. That's the only way that we can interact and shake hands and... and...

561

01:04:37.710 --> 01:04:38.040

EHS-B224: Thank you.

562

01:04:38.040 --> 01:04:42.560

Sabrina Harris, Public Justice Center: you know, in that trajectory, but I just have... I just have a concern for

563

01:04:42.960 --> 01:04:55.310

Sabrina Harris, Public Justice Center: the hostile climate that the world is in now, and having a big public menu for people to come, are we prepared for that? And maybe because I'm new, and I'm not, you know.

564

01:04:56.330 --> 01:04:58.439

Sabrina Harris, Public Justice Center: experience, are we prepared for that?

565

01:04:59.020 --> 01:04:59.800

EHS-B224: Nope.

566

01:05:00.660 --> 01:05:07.170

EHS-B224: I completely understand, and if anything were to happen to any one of you, I would...

567

01:05:07.630 --> 01:05:13.649

EHS-B224: I would be beside myself, but... yeah, or myself included. And so I do...

568

01:05:13.940 --> 01:05:21.490

EHS-B224: I do want to honor that very seriously. And I also think that just...

569

01:05:21.790 --> 01:05:25.580

EHS-B224: from a... I mean, I don't know what...

570

01:05:25.720 --> 01:05:32.460

EHS-B224: poor Amy and Calvin's life was those 3 days before the last annual meeting.

571

01:05:32.590 --> 01:05:33.720

EHS-B224: But...

572

01:05:33.830 --> 01:05:41.619

EHS-B224: I remember... because one of the things you have to remember, and I think one of the things the public has to remember, is it was...

573

01:05:41.970 --> 01:05:49.099

EHS-B224: Literally 3 days that we got the report that we were not going to be able to...

574

01:05:49.960 --> 01:05:53.259

EHS-B224: safely have this meeting, and to then...

575

01:05:53.420 --> 01:05:58.889

EHS-B224: If we still wanted to continue in person, find another public building that we could have it in.

576

01:05:59.450 --> 01:06:02.700

EHS-B224: Logistically, with all of the board members.

577

01:06:03.290 --> 01:06:10.559

EHS-B224: on the phone, because again, we are not able to just all get on a conference call together. That's against the rules.

578

01:06:10.990 --> 01:06:27.830

EHS-B224: so you're having one-on-one conversations with 10 people of the board and support staff. It is not an easy thing to do. And then, not only that, once we get that done, we have to then alert the public in a timely fashion, which again.

579

01:06:28.240 --> 01:06:37.740

EHS-B224: 3 days is nothing, because all of us are at work. We all work. This isn't a full-time job for us as board members. It is...

580

01:06:39.590 --> 01:06:46.270

EHS-B224: just, it's impossible. So... That... that was my feelings on...

581

01:06:47.480 --> 01:06:51.370

EHS-B224: I guess, moving forward, assuming it would be... on the hook.

582

01:06:51.920 --> 01:06:57.960

EHS-B224: And we would have those in-person touchpoints at the more intimate settings of the community meetings.

583

01:06:59.740 --> 01:07:12.140

EHS-B224: So we weren't going... and not even just community meetings, but if, you know, for faculty and staff, if you wanted, you know, for faculty and staff members, students, things like that.

584

01:07:12.380 --> 01:07:15.479

EHS-B224: We would still make ourselves available to those

585

01:07:15.650 --> 01:07:21.609

EHS-B224: different entities as well, so that it was not a... Easy. Yeah, an easy...

586

01:07:22.750 --> 01:07:28.369

EHS-B224: like, oh, we don't have to deal with the public at all. No, in fact, we're going to be dealing with the public in a much more intimate

587

01:07:28.610 --> 01:07:37.550

EHS-B224: way. You also have to keep in mind the IT support, because I had, you know, we had to finagle all of that, because they were...

588

01:07:37.640 --> 01:07:49.699

EHS-B224: gonna be in person, you know, so yeah, we have to think about the IT support who's supporting us behind the scenes as well. Yeah, because we have to schedule, coordinate, and then plan for...

589

01:07:49.700 --> 01:07:59.090

EHS-B224: And pay. And pay, for however many people. And so that, that was, that was my feeling. If this annual meeting goes, you know.

590

01:07:59.250 --> 01:08:01.719

EHS-B224: everybody is...

591

01:08:01.940 --> 01:08:09.729

EHS-B224: behaving as we would hope in an ideal world, then sure, maybe moving forward, we can change that, but...

592

01:08:11.210 --> 01:08:19.279

EHS-B224: That was... that was my feeling. I think it's something that's definitely we should look forward to in future years, as things... Yeah.

593

01:08:19.500 --> 01:08:23.269

EHS-B224: stabilize. For now, I will maintain

594

01:08:23.430 --> 01:08:37.000

EHS-B224: my second emotion. I love it, I love it. Alright, so...

595

01:08:37.609 --> 01:08:42.870

EHS-B224: Do we want... We were at, so we stopped at Isabelle.

596

01:08:43.380 --> 01:08:47.469

EHS-B224: Isabelle? She said yes. So, Jarrell, how do you vote?

597

01:08:47.689 --> 01:08:51.579

Jerrell Bratcher: Can I, can I... can you circle back to me?

598

01:08:52.439 --> 01:08:53.069

Jerrell Bratcher: Excellent.

599

01:08:53.069 --> 01:08:53.579

EHS-B224: Oh, okay.

600

01:08:53.580 --> 01:08:55.670

Jerrell Bratcher: Compress this just a little bit more.

601

01:08:55.670 --> 01:09:01.819

EHS-B224: All right. Jonathan, how would you vote? I vote in favor of virtual.

602

01:09:02.160 --> 01:09:05.579

EHS-B224: Yes, alrighty. Natasha, how did you vote?

603

01:09:07.729 --> 01:09:08.919

Natasha OrtizFortier, BCPI-Senior Program Associate: I vote no.

604

01:09:11.029 --> 01:09:13.040

EHS-B224: Sabrina, how do you vote?

605

01:09:15.350 --> 01:09:17.109

Sabrina Harris, Public Justice Center: I'll vote yes for virtual.

606

01:09:19.899 --> 01:09:22.510

EHS-B224: Sam, how do you vote? Yes.

607

01:09:24.670 --> 01:09:26.799

EHS-B224: And Ms. Sonya, how do you vote?

608

01:09:26.800 --> 01:09:28.520

Zoom user: I think virtual is best.

609

01:09:31.200 --> 01:09:33.619

EHS-B224: Circling back to Jarrell.

610

01:09:36.840 --> 01:09:44.959

Jerrell Bratcher: I mean, I guess, hesitantly, reluctantly, I mean, it's...

611

01:09:45.100 --> 01:09:50.859

Jerrell Bratcher: We don't have any other options, so, you know, I guess... Ain't got no choice. Virtual.

612

01:09:54.189 --> 01:09:57.829

EHS-B224: Is that a yes. Is that an undecided?

613

01:09:58.650 --> 01:10:00.230

EHS-B224: Tentative. Maybe he...

614

01:10:00.230 --> 01:10:02.380

Natasha OrtizFortier, BCPI-Senior Program Associate: Are you abstaining, Terrell?

615

01:10:02.380 --> 01:10:08.009

EHS-B224: You can still say no. Yeah, or undecided, yeah. Or undecided.

616

01:10:10.090 --> 01:10:22.759

Jerrell Bratcher: I mean, but we'll have the majority of the votes for virtual, so, I mean, it'll be... it'll be what it'll be, and... but I, you

know, just hope and pray that we're, you know, intentional with making sure the community gets

617

01:10:22.760 --> 01:10:30.290

Jerrell Bratcher: You know, those pieces and forms, and it's accessible to them with all the wonderful pieces of communication we put forth, so...

618

01:10:30.620 --> 01:10:31.570

Jerrell Bratcher: you know.

619

01:10:32.740 --> 01:10:35.769

EHS-B224: Is that a yes, no, or abstain?

620

01:10:38.050 --> 01:10:39.420

Zoom user: You entertained.

621

01:10:39.700 --> 01:10:44.650

Jerrell Bratcher: Oh, I guess it's... yes, I mean, like I said, it hasn't been reluctantly.

622

01:10:47.980 --> 01:10:54.119

EHS-B224: Okay, thank you, thank you, Jarrell. Thank you, everybody. And so...

623

01:10:54.310 --> 01:10:58.570

EHS-B224: Our annual meeting will be, will be virtual.

624

01:10:58.910 --> 01:11:01.249

EHS-B224: Those none, yes, one, no.

625

01:11:01.250 --> 01:11:06.940

Jerrell Bratcher: We better have some food there, then, if we gonna be, you know, for the board members, we love y'all dearly.

626

01:11:06.940 --> 01:11:10.340

EHS-B224: Darrell, you're cooking, right?

627

01:11:12.100 --> 01:11:12.780

EHS-B224: I'm serious.

628

01:11:12.780 --> 01:11:15.890

Jerrell Bratcher: We got classic or exquisite on the books, too.

629

01:11:15.890 --> 01:11:31.960

EHS-B224: Oh my goodness, alright. Oh my goodness, oh my goodness. All right, moving on, I just want to keep an eye on time. We're at 7-13, and so moving on, we'll be moving on to our board social meeting.

630

01:11:32.110 --> 01:11:39.500

EHS-B224: And so, based on the... not a lot of feedback I got, we... well, some feedback. We're gonna,

631

01:11:40.540 --> 01:11:42.110

EHS-B224: Pending a date.

632

01:11:42.650 --> 01:11:56.369

EHS-B224: Okay, just... okay, I'm gonna say what I'm gonna say. We're gonna do a tour of the three campus areas, the three, Hopkins jurisdictional areas in a luxury, sedan

633

01:11:56.770 --> 01:12:13.989

EHS-B224: limo, I don't know, Blue Jay vehicle? Yes. Yeah, yeah, okay. Also, it's nice. But they're gonna, they're gonna spray it real nice, it's gonna smell so good. And, we're gonna do that. We're gonna go to all three campus areas, which we,

634

01:12:14.310 --> 01:12:30.639

EHS-B224: remaining board members, will remember from last year, but it was really eye-opening, to... to be able to see the different campus areas. It's much different to see it on a map than to actually be, in the jurisdiction. And then,

635

01:12:30.640 --> 01:12:34.870

EHS-B224: I personally... last year we went to Angie's Seafood, which was delicious.

636

01:12:34.870 --> 01:12:56.309

EHS-B224: But I would really love for all of us, if you all are interested, into going to, this great little restaurant in East Baltimore called Haman Kabobi. It's delicious. They're so good. I love that place. It's so good! And they're amazing, sponsors of events in East Baltimore. They're providing food for our

637

01:12:56.470 --> 01:13:08.020

EHS-B224: It's an Afghan restaurant. It's an Afghan, but it's so delicious. Helman Kabobi? Yeah, the food's great. It's delicious. It's right across, it's right across from Marriott.

638

01:13:08.160 --> 01:13:14.829

EHS-B224: Oh, yeah, that... no, they're really good. No, they're really good! Now, if you know the Helmond Inn, that's right. Mount Bernie? Yep.

639

01:13:14.910 --> 01:13:34.359

EHS-B224: I don't know. Because I was going to say, Rooted Rotisserie, I heard they were phenomenal. They're good-looking reservation. But I don't... They're so good. Yeah, but it's hard to get in. But yeah, their food... their food's amazing, you will not be disappointed. Everybody that I've ever taken there loves it. So...

640

01:13:34.370 --> 01:13:38.959

EHS-B224: If that is a viable option. And so this would be...

641

01:13:39.150 --> 01:13:45.189

EHS-B224: October, right? Well, you all tell me, because remember, I have to plan, so I'm planning...

642

01:13:45.380 --> 01:13:51.030

EHS-B224: I know, okay, alright. You all tell, you all tell memes. So, we...

643

01:13:51.520 --> 01:13:54.460

EHS-B224: We'll get a few dates together. Or, well...

644

01:13:55.030 --> 01:14:06.380

EHS-B224: Yeah, I can send out a... I can send out a poll. Do you want it to be in October, or you... so, and I'll send out a poll? Yeah, I'll talk to you. Okay, yeah. Is there...

645

01:14:06.860 --> 01:14:11.910

EHS-B224: Any opposition to our board social meeting tour?

646

01:14:12.520 --> 01:14:13.510

EHS-B224: And dinner.

647

01:14:13.960 --> 01:14:20.000

EHS-B224: So it would be dinner and some driving, around.

648

01:14:20.380 --> 01:14:25.519

EHS-B224: I'll do a poll to see who's interested. Okay, perfect. So we can know. Okay.

649

01:14:25.900 --> 01:14:31.889

EHS-B224: Because that's what... that was the feedback I got, that, like, seeing the jurisdictions would be good, and then a meal would be good.

650

01:14:32.110 --> 01:14:45.439

EHS-B224: And this would be low-key, casual, it's nothing fancy, but it's a way for us to get to know each other. All right, so... that, and then,

651

01:14:46.760 --> 01:14:48.970

EHS-B224: Administrative updates.

652

01:14:49.430 --> 01:14:57.080

EHS-B224: Don't have anyone. I love that. Next meeting will be, our annual

653

01:14:57.370 --> 01:15:03.549

EHS-B224: on the books right now will be our annual meeting, October 15th, from 6 to 8 p.m.

654

01:15:04.060 --> 01:15:10.370

EHS-B224: And before that, I'm assuming... at some point, Ms. Sonia will get on

655

01:15:10.700 --> 01:15:21.310

EHS-B224: on the line with you to get a committee meeting for community engagement. And then our next full board meeting will be November 19th from 6 to 7 30.

656

01:15:23.310 --> 01:15:34.009

EHS-B224: Hearing that, that is the end of our meeting. If I would like to entertain a motion to adjourn. Motion to adjourn. Motion to adjourn! Firsted, seconded.

657

01:15:34.200 --> 01:15:37.159

EHS-B224: Dr. Webster, I'm taking that as a second.

658

01:15:37.450 --> 01:15:39.299

EHS-B224: All in favor? Aye.

659

01:15:39.300 --> 01:15:40.110

Zoom user: Bye.

660

01:15:40.110 --> 01:15:41.950

EHS-B224: All opposed?

661

01:15:43.050 --> 01:15:48.039

EHS-B224: All right, meeting adjourned, 7-17. Thank you, everybody! Good night, everybody.

662

01:15:48.040 --> 01:15:49.520

isabelle john: Thank you, have a good night!

663

01:15:49.520 --> 01:15:50.200

Gus/Zoom Producer: Alright, everyone.

664

01:15:50.200 --> 01:15:51.309

EHS-B224: Hi, thank you!

665

01:15:51.590 --> 01:15:52.570

Sabrina Harris, Public Justice Center: Bye!
